# Lewisville Indiana

Town Board Meeting

05/09/19

Present:

Richard Craig

Justin Thompson

Clerk Treasurer Larry Smith and Attorney Gregg Morelock we're present.

Justin Thompson moved to accept the April minutes. Richard second motion passed.

Thompson moved to accept the April claims. Richard second motion passed.

Reports:

Justin read the maintenance report. Reports are available for viewing in the Clerk's office. SHRW report Richard gave the South Henry Regional Waste report. Justin read the April Police Department report. Justin gave a short Park Board report from the meeting held at the shelter with the Park Board on April 24<sup>th</sup> 2019. A copy of all reports will be available in the Clerk's office upon request.

Speaker:

Terri Roberts special guest speaker came to talk to the town council about the Windmill projects. That are still being discussed in the Henry County area.

New Business:

Justin moved to have the town pay for the Town Marshal's ammo needed for his academy class. And also pay for the class. Richard second motion passed.

Absent:

Patrick Saunders

Old Business:

Justin gave an update on the water project. And scheduled a meeting with Ladd engineering.

An update was talked about concerning 510 East main Street cleanup. Chuck Covey announced that the Guyer Opera House would be having practice the following week. With no further business coming before the board the meeting was adjourned.

Richard M. Craig

Attest

Sam Smith

Municipally-owned Water  
and Electric Utilities

**Town of Lewisville**  
*platted Dec. 25, 1829 P.O. Box 288  
Lewisville, IN 47352*

765-987-7979  
765-987-8801 fax

- Monthly water testing
- Fixed spindle on old mower
- Finished cleaning up the barn inside and out
- Met with Ladd engineering about the water system
- Met with Nolan and Greg from Acculevel about the foundation of the water plant he is supposed to be emailing me a quote that he sent to Ladd engineering. They did indicated that that foundation was settling to the back of the WTP (North Side) (still haven't received quote)
- Meet with John Ellison with Kieser Consulting about road resurfacing project to start in July 2019
- Checked between 4<sup>th</sup> and 5<sup>th</sup> street on U.S. 40 for water leak. Water is coming from storm drain
- Helped Mow Park. Justin is now maintaining the mowing for the park.
- Sprayed small playground for weeds and removed several thistles from the playground.

\*NOT SURE IF THIS HAS TO BE BROUGHT UP AT THE MEETING OR IF WE CAN TALK ABOUT IT AFTER THE MEETING OR BEFORE.\*

#### Utility Locate Equipment

I have been called out for emergency utility locates and the maps that have been provided for me do not show all water lines or houses on the map. This makes it impossible to locate the water lines. I am requesting to get quotes for locate equipment or open to suggestions.
