Report of SHRWD Meetings of June 11 and July 9, 2019

*I was not in attendance of the June 11 SHRWD meeting but have included subjects discussed in the report below.*

**Wastewater Rehabilitation Project Funding**

Dan Wright of FPBH presented the updated cost estimate of this entire project being \$5,433,000.

An application was made to State Revolving Funds (SRF) and the SHRWD project was ranked 24<sup>th</sup> with only 8 projects being funded this year. The District will continue pursuing SRF and other sources of funding.

**Apprenticeship**

Tommy Pfaff was hired as SHRWD Apprentice. The program and training will last two years at which time Mr. Pfaff will be ready to assume the position of Plant Operator.

**District Boundaries**

Martin Stevens, Jerry Libby and Marcus Allhands met with Corey Murphy and Penny York at the EDC office to discuss the District's northern boundary.

**Other**

Tricia Haler has taken and passed the state Class III Wastewater Certification exam.

Three quotes were reviewed to replace the 27-year-old laboratory air conditioner. Jerry Libby was given authority to select the vendor after assuring all were including the same services.

All lateral pipelines in Lewisville have been entered into the District GIS system. Tricia and Tommy will continue with Spiceland and time and weather allow.

Nancy and Tricia attended the Henry County Commissioners' Discrimination Training workshop.

Nancy, Tricia, Donna and Lila will be attending the Alliance Leadership Summit in August.

Again, SHRWD has been notified of the pending award of the IWEA Burke Safety Award to be presented at the IWEA Annual Conference.
