

Hammer Club

"A way to nail down your commitment"

Habitat for Humanity depends on the contributions from the community in order to continue to endeavor to provide homes for families living in substandard housing. The goal is to start or build two housing projects each year. With the rising cost of land and construction Habitat will rely even more on community support. There are various ways for individuals, churches, and businesses to support the ongoing mission of Habitat for Humanity. One way to provide specific and ongoing support for **Page County Habitat for Humanity** is to become a member of the **Hammer Club**. The Hammer Club is divided into five categories depending upon the amount you would like to contribute. Each time ground is broken for a new home, (up to two per year) we send you a contribution request for the amount of your commitment. Those contributions can then be used toward the construction and completion of the projects. The level of the Hammer Club are described below:

- _____ **Diamond Hammer Club** - \$500 contribution
(each time ground is broken, up to two per year for a maximum of \$1,000)
- _____ **Platinum Hammer Club** - \$250 contribution
(each time ground is broken, up to two per year for a maximum of \$500)
- _____ **Gold Hammer Club** - \$100 contribution
(each time ground is broken, up to two per year for a maximum of \$200)
- _____ **Bronze Hammer Club** - \$50 contribution
(each time ground is broken, up to two per year for a maximum of \$100)
- _____ **Copper Hammer Club** - \$25 contribution
(each time ground is broken, up to two per year for a maximum of \$50)

If you have an interest in supporting Habitat through the Hammer Club, complete your name and address below and check the level of commitment you are willing to make. **If you are an existing Hammer Club member you are encouraged to consider upgrading to a higher level.** You may print and mail this article to **Page county Habitat for Humanity, P.O. Box 613, Luray VA 22835**. Questions may be directed to the Page County Habitat office at 540-743-7879.
