**McElhaney's proven leadership model lands him the Democratic Municipal Officials (DMO) Endorsement.**

**Orchard Park, NY** – Braiden McElhaney, candidate for Orchard Park Town Council, has received the endorsement of the Democratic Municipal Officials (DMO), a national organization representing over 40,000 local elected Democrats across the country.

The DMO endorsement recognizes McElhaney's commitment to transparent governance, economic fairness, and community-driven leadership. As the only candidate in the race to earn this national distinction, McElhaney continues to stand out as a voice for responsible development, small business growth, and support for working families in Orchard Park.

"I'm honored to have the support of Democratic Municipal Officials," said McElhaney. "This endorsement, typically only offered to elected officials, reflects our campaign's focus on building a stronger, more inclusive Orchard Park—one that works for everyday residents, not just the well-connected."

The endorsement comes as McElhaney's campaign gains momentum with broad support from residents, small business owners, and local advocates pushing for fresh leadership on the Town Council.
