

LARA LATSHAW

OWSI, Specialty Instructor (PADI & SSI)
400+ Dives

(Utila, Bahamas, Dominican Republic, The Red Sea, Socorro)

I began diving in early 2019 and quickly learned it means more to me than something to do while on vacation. I continued to dive while growing and expanding my businesses. In January 2022 I was able to move to Utila, Honduras and pursue my diving career.

WORK HISTORY

- August & September 2022 - MSDT Internship, Utila Dive Center, Utila Honduras
- July 2022 - Operation Wallacea - Volunteer Divemaster
 - Lead groups of 4-6 young adults on youth scientific diving program including fish, coral and invertebrate identification, laying transects and quadrats, performing basic marine science projects.
 - Assist graduate students with scientific diving in completing University thesis projects.
 - Assign and maintain and store dive gear.
 - Perform check dives for students and manage any difficulties when diving.
