## Welcome to Session #2!

As we get into our colder months, please remember that with the days getting darker earlier it is even more essential to watch carefully for kids in the parking lot!

As another reminder, with so few spaces available in our Rec classes (Jumpers, Super Jumpers, etc.), it is more important than ever to make sure your child attends their regular class every week. We do offer two make-ups per session, but please keep in mind this is based on [availability](#). Our Saturday make-up open gym class is the most reliable option; we will do our best to place your child in an alternative rec class, but there is no guarantee that one will be available within the six-week session, and make-ups do not carry over. This also means it is super important and appreciated if you let us know your child will be absent so we can give someone your spot for the week!

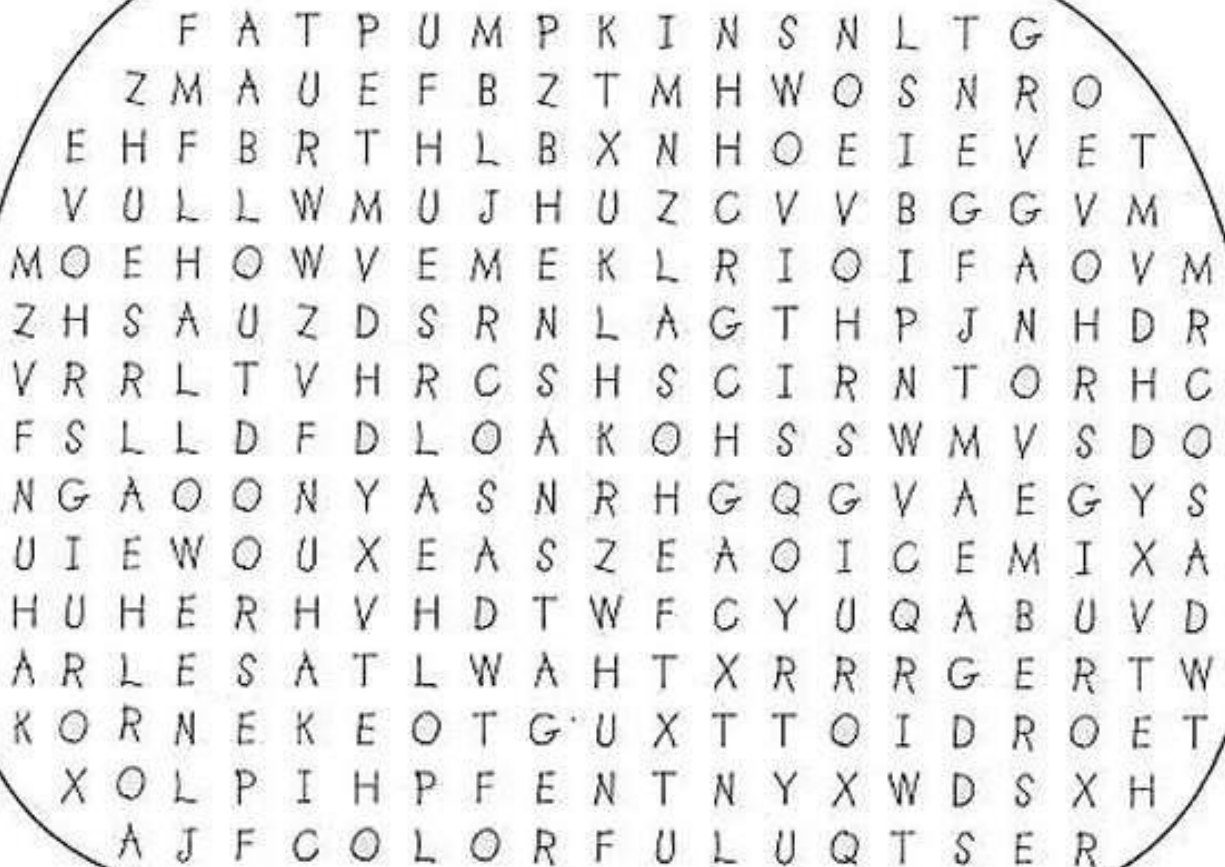

## Important Notice

There will be no regular classes from 4:00 onward on Halloween (Thursday, 10/31); we want everyone to have time to get in costume and get out to those treat-filled streets! There will be a make-up open gym running from 4:00pm-5:30pm in place of lessons. No need to stay the whole time: just attend for the length of your class! We hope to see a lot of you there, as space in other regular classes is limited. No sign-up necessary!
