

# ALPHA-STIMULATORS

Mental sharpness and clarity are vital to the success of any job, but especially in the police world.

Just 20 min a day can reduce anxiety and insomnia.

Alpha-Stim® works with the body to help it regain a healthy circulatory current, simulate endorphin release, and rebalance neural firing patterns.

Online Scheduler

DEVICES ARE AVAILABLE FOR USE ON APPROVED BREAKS, REPORT WRITING & WHILE ENGAGING IN WORK AT A SEATED WORK STATION.
