The Christ-Centered Family

Families today are struggling to place Christ at the center of their homes. Instead, they succumb to the temptation to center their homes around kids, jobs, spouses, or hobbies. Join us as we look to God's Word to understand the right priorities of a Christian family.

Dr. Tate Cockrell is Assistant Director of D.Min Studies and Associate Professor of Counseling at Southeastern Baptist Theological Seminary in Wake Forest, NC. He leads conferences, retreats and workshops on marriage, parenting, grief, recovery and men's issues in the U.S. and internationally. He has been married to his wife, Wendy for 25 years and they have 3 children.
