

“Mere Christianity” by C.S. Lewis Book 4 – Beyond Personality, Chapter 4: “Good Infection”

“God is a Being which contains three Persons while remaining one Being.”

The Father, Son, and Holy Spirit does not mean one was before the other.

The Son is the expression of the Father. The Father delights in the Son. The Son looks up to His Father. A relationship of love..

“God is love.”

The love between the Father and the Son creates a spirit or union of love.
That is the Holy Spirit.

If we share in the love of God, we become begotten and thus become sons of God.
The Holy Spirit will arise in us.

Every Christian is to become a little Christ. That is the purpose of becoming a Christian.

Chapter 5: “The Obstinate Toy Soldiers”

The Son of God became a man to enable men to become sons of God.

Two Kinds of Life

1. Self-centered
2. Spirit-centered

A tin soldier is a dead toy. But if you brought him to life and he did not like the change, he would fight to remain tin.

How are we like the tin soldier?

God became man in the form of Jesus.

Why did God become man?

What we are incapable of doing, Jesus has done for us.

1. Christ died for our sins.
2. Washed in the blood of the Lamb.
3. Christ has defeated death.

Has Christ changed you in your walk of life from being self-centered to Spirit-centered?
