

“Mere Christianity” by C.S. Lewis Chapters 4 & 5: “What Lies Behind The Law” & “We Have Cause To Be Uneasy”

Law of Human Nature or Right & Wrong - A real law we did not invent and which we know we ought to obey.

The Universe -

1. Materialism View – matter and space happen to exist, always have existed, evolution.
2. Creator View – there is a conscious, has purpose, and preferences.

Science – Why is there a universe? Why does it go on as it does? Has it any meaning?

The one thing we know more about is man, because we are man.

Studying man, you would not know we have an inner law of human nature.

Conclusion: There is a director of the universe.

Chapter 5: Cause to be Uneasy – 3 Things

1. Progress – be willing to make change in order to get where you want to be.
2. Goodness – either the great safety or the great danger – according to the way we react to it.
3. Comfort – we must first acknowledge the state we are in before understanding what the comfort of Christianity is.
