

“Reaching and Enriching the world with God’s limitless love”
#LoveGodLovePeople

WHO ARE WE?

The Hub, a vibrant contemporary Christian church, emerged from the fusion of two powerful entities: Praise Christian Centre International, led by the visionary late Godfrey Nyarambi, and YourChurch Global Movement, pioneered by the late Cephas Matanhire. and Open worship led by Kris and Holly. The legacy of fervent worship and global outreach left behind by these two great men of God is carried on like an Olympic baton by their wives and co-leaders, Apostle Joy Matanhire and Pastor Veronica Nyarambi.

United by a shared commitment to transforming lives, these visionary leaders continue to instill a passion for people within The Hub's foundation. With a rich history rooted in compassion and community, The Hub carries forward the soul-winning goals of its heritage.

This dynamic synthesis forms the heartbeat of The Hub, where love for God and humanity intertwines seamlessly, creating a diverse and inclusive environment. As such, our family holds very highly the importance of being a Bible-believing church with Jesus Christ at its centre.

Driven by the belief that every individual is significant, The Hub embraces a holistic approach to ministry, fostering spiritual growth, social impact, and personal development. The church is a hub of inspiration, where worship is not just a Sunday activity but a daily lifestyle, echoing the teachings of both late visionaries.

The Hub stands as a living testament to the enduring passion for people cultivated by Godfrey Nyarambi and Cephas Matanhire. As it continues to evolve, The Hub remains dedicated to shaping a contemporary Christian community that embodies love, acceptance, and a transformative impact on individuals and society at large.

Within The Hub's vibrant tapestry, the fusion of Praise Christian Centre International and YourChurch Global Movement has given rise to a unique spiritual ecosystem. Godfrey Nyarambi's legacy of fervent worship resonates in the church's atmosphere, where the congregation engages in dynamic, expressive worship experiences that transcend traditional boundaries.

Cephas Matanhire's global outreach vision echoes in The Hub's commitment to making a positive impact on a global scale. Through outreach programs, missions, and community partnerships, The Hub extends its reach beyond the church walls, embodying a compassionate and socially conscious Christianity that actively addresses the needs of the broader community.

The heartbeat of The Hub isn't confined to the sanctuary alone; it pulses through small groups, community events, and virtual platforms. The church embraces diversity and inclusivity, fostering an environment where people from all walks of life find belonging and acceptance. This inclusivity extends to innovative approaches to ministry, leveraging technology to connect with individuals and communities worldwide.

At The Hub, every sermon, program, and initiative reflects a holistic understanding of ministry. Spiritual growth is not relegated to sermons but interwoven into every aspect of church life. Social impact initiatives address tangible needs, and personal development programs empower individuals to navigate life's challenges with faith and resilience.

As The Hub evolves, it remains steadfast in its dedication to shaping a contemporary Christian community that isn't merely a spectator in the world but a catalyst for positive change. The enduring passion for people, cultivated by Godfrey and Veronica Nyarambi and Cephas and Joy Matanhire, remains the guiding force propelling The Hub into the future, ensuring its relevance and impact for generations to come.

How will we do this?

Together!
Here's how

In the spirit of REALIGNMENT, we have combined the STRENGTHS of the two ministries into one, to create an even more formidable team that will do God's word strategically, with great precesion and most importantly: LOVE.

JEREMIAH 18:1-3

MISSIONS TEAM

YOUR CHURCH YOUR HOME TEAM

This team is the first port of call team. They are the face- the ones in charge of creating teams that bring souls to Christ. When a member joins, they are the first place they land and make them feel safe and at home.

GROWTH TEAM

THE PRAISE CENTRE TEAM

This is the growth and development team that is responsible for the spiritual well-being and daily growth of our members. They are to be in charge of ensuring that the fruits we are bearing REMAIN and are nourished spiritually.

ADVISORY BOARD

THE ADVISORY BOARD

As we all know, running a ministry is no small feat and our mothers Senior Pastor Veronica and Apostle Joy have had their hands full. This team will be their LINE OF DEFENCE. This is to ensure that they recieve ALL communications, but are also able to rest accordingly.

FYI: This is a preliminary UK structure and the International structure will be looked at further at a later date

So, what happens to each department?

No hierarchy

What? This is a flat leadership structure that uses a more co-operative and interactive system rather than a single leader structure.

How? Each department will (as a team) create a PROPOSAL for the calendar year, present it to the advisory board and they will be answerable only to the advisory board.

Why? We want to allow for open communication within each department, so that no one person is solely responsible for a department, but the entire leadership team of that department can take responsibility.

What happens on each project?

One Step Up rule

What? This will be the only (kind of) hierarchical system with a ONE STEP UP rule. When we have a conference or event, departmentally we will retain flat leadership structure, with one additional step up- an appointed PROJECT MANAGER who will still be answerable to the advisory board.

How? The visionaries provide us with a THEME for the conference or event. The project manager shares that theme with the departments. Each department will create a proposal for each of their department in alignment with the theme to the project manager who will create a programme. They will present it to the board and begin the planning process with each department.

Why? Events require constant monitoring to ensure excellence. The project manager is tasked with harnessing each proposal from the departments to stay in alignment with and not stray from the theme from the visionaries. This ensures clarity of vision and FOCUS.

We are ...

The
HUB

A group of five diverse professionals (three men and two women) are standing in an office, cheering with their arms raised in celebration. They are dressed in business-casual attire. In the foreground, a wooden desk holds two laptops and some papers. A large, semi-transparent graphic of a globe with a blue grid is overlaid on the image. The word "The" is written in a black cursive script across the center of the globe, and the word "HUB" is written in large, bold, black capital letters below it.
