# February birthdays

*Andrew celebrating his 29th birthday.*

*Tania celebrating her 40th birthday.*

Here are photos of our lovely friends born in the month of February! It was a joy to be able to celebrate their birthdays with them.

# Valentine's Day activities!

For Valentine's Day, we made some crafts. One was a card that was stained glass inspired which the clients were able to decorate and write inside of to give to their families.

Another one of the crafts we made was a Valentine's Day card bag. They were able to design their bags anyway they liked, and on Valentine's Day they handed out their cards to each other.

For a fun craft we decided to colour some flower pages in hopes to bring spring back sooner. We can't wait for warmer weather and beautiful flowers outside!

Here's Andrew helping out with Friday cooking, he is shredding cheese to put on top of a shepherds pie. Yum!

Here's an action shot of the leis for the luau being coloured by Tyler, Tiffany and Tania. They turned out amazing and they had lots of fun designing them. We used straws and ribbons to create the necklace part.

# Leap year luau!

The luau was a great time! We played games such as charades, limbo, pass the coconut and musical islands. Everyone was dressed in a lovely grass skirt and a lei necklace that they designed themselves in one of our art classes.

*Loma, Sultan, Bev and Sunil rocking their luau attire.*

After we had a pizza lunch with cake, we had a dance party and listened to some summer tunes. Everyone brought out their best moves! For afternoon snack, we made fruit kebabs which were a big hit.

*Yummy!*

# Programs

*Alicia is slicing up a pepper for lunch.*

On Thursdays, we do food preparation for our Friday hot lunch. In these photos we are cutting up peppers to put in a chicken quesadilla. They are able to choose and vote on what they would like to have for Friday lunch which makes it fun and interactive. The ideas they come up with are awesome!

When the weather is nice, we like to go for walks in the community for exercise and some fresh air. It's a great way to get outside and keep fit.
