Programs

Akim showing off his artistic side, using multiple colours to create a master piece!

After baking on Mondays, Clients can enjoy their cooking for snack. Guess you could say they're really good bakers!

Outings!

For the Month of May, clients took turns visiting Lynd Shores! There, they were able to spend time in the outdoors! Feeding animals like birds, squirrels, geese, and chipmunks, seeds and peanuts.

Claudette feeding geese seeds, while smiling for the camera!

Group Picture! While outdoors, everyone came together to make an everlasting memory.

friends ❤️

Steven enjoyed being able to get up and close with nature, feeding peanuts to chipmunks!

Hafsa was very excited to feed the goose some seeds!

Tyler experienced feeding birds by holding his hand out with a pile of seeds. While patiently waiting a bird finally came and fed from his hands!

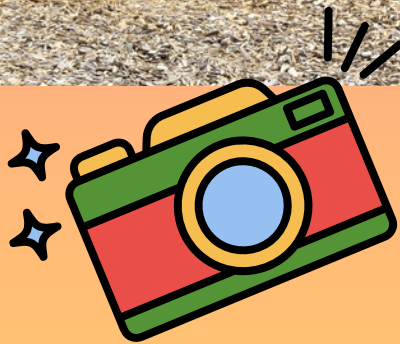

Outings!

For the first week of June, Clients began going to the beach and enjoying the nice weather!

Eric, Charlene, and Steven spending time on the swings with our staff Crystal.

A group picture with Tiffany, Tania, Eric, Steven, Charlene, and Crystal. A great way to end the day at the beach!

Mother's Day Gifts

For our Mother's Day and Appreciation gifts we decided to create flowers in a jar! The first step was for clients to paint their jars and write a note or design on them!

Next we put special flower seeds in the jar that contained all of their love! We wrapped them up and put them in gift bags.

This Gift was special because all their love helps with the growth of the flower!
