Art Program

For art everyone got into the spring mood! They enjoyed painting the stems of the flower. And later using Q-tips with paint to form the top shape of the flower.

Around The World

During News Study everyone was able to learn about different Countries and match their flags with their names.

Outings

One of our outings was to Pickering Mall. Here we took Eric, Steven, Abi, Tiffany, and Shimeka. They got to walk around the mall and check out the cool stores!

LOL Eric just couldn't help himself!
