# End of Year Party

For the end of the winter year, we celebrated with a surprise magic show! The show started off with everyone getting a balloon puppy. Next, clients were called up to lend a hand with magic! Guess you could say everyone was a magician for a day!

# Art Program

Art class was very colourful and messy! Clients took turns putting drops of food colouring into shaving cream and swirled it into a shape. They then placed their papers on top and wiped off the excess off the paper. This left a beautiful unique colourful design.

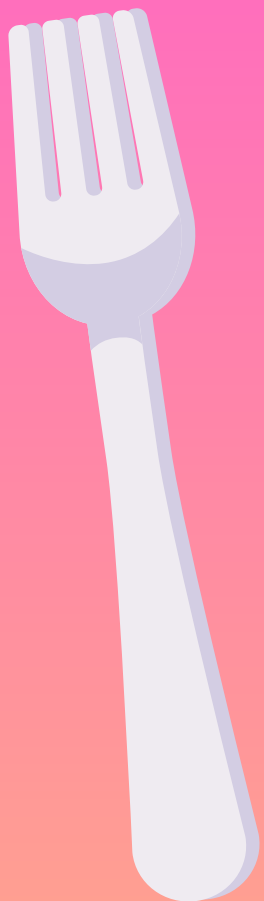

Daniel adding his food colouring!

Abi is creating swirls for her design!

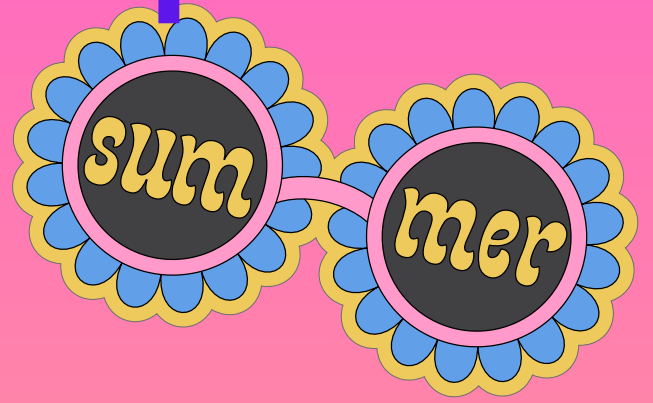

Tania's Place took getting creative to a next level! Clients took on a challenge to create art using only but a fork.

Challenge accepted by Hafsa! Beautiful art work!
