Missing Summer

This Summer was one for the books! I'm sure everyone enjoyed their time here at Tania's Place for summer camp. Here's a bit of how it went!

Hunter loving his time on the walk, soaking up all the sun.

Hafsa, Mariana, Jenny, and Tania are ready for the water fight

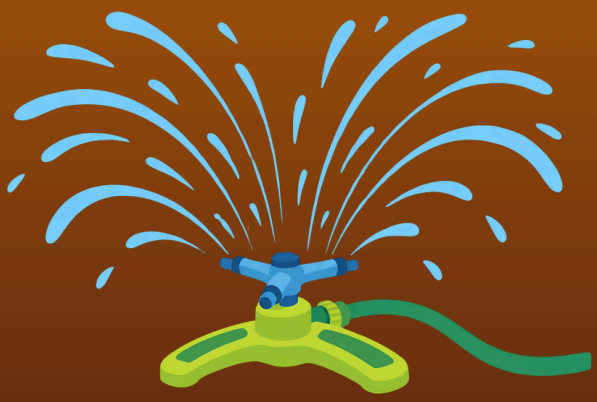

Joel's excited to get started!

It's time to run! The water sure helped us cool down in the heat.

No hands challenge! The goal is to find all the candy hidden within the whip cream with only your mouth. That's right no hands!

Outings!

Zack posing on the Tractor! Guess you can say he's a farmer.

It's that time of the year! Pumpkins, pumpkins, pumpkins! You know we had to get ours. :)

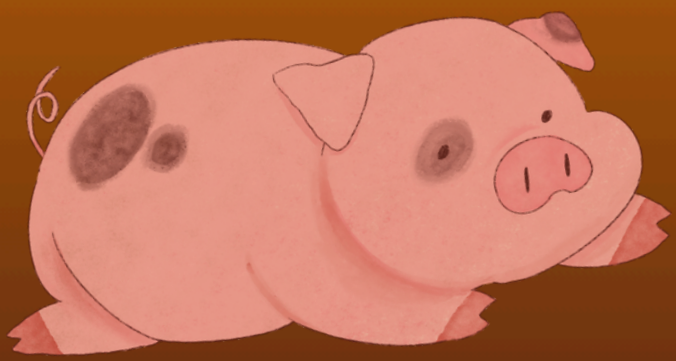

Charlene enjoying her time on the swings.

Shimeka, Mike, Eric, Abi, and Shirin enjoyed their time at WillowTree Farm. They got to walk around seeing and petting some animals.

Bowling

Pro bowlers; I think so! Clear to say everyone had a blast knocking down the pins .

Bowling can be hard work, Abi's taking a break enjoying her nachos!
