

## **Worship God Alone (Unit 13)**

---

### **VERSE**

Anything more important than God  
Is nothing more than an idol  
Anything that we love more than God  
Is nothing more than an idol (Could be...)  
Golden calves or pink giraffes  
Real fast cars or a movie star  
Dogs and cats or lots of cash  
Basketball, volleyball, anyball, or video games  
Anything that we love more than God  
Is nothing more than an i--d--o--l

### **CHORUS 2X**

We will worship God alone  
God alone deserves our praise  
We will worship God alone  
All throughout, all throughout our days
