The [Tennessee Shooting Sports Association](https://tennesseeshootingsportsassociation.org) is the Tennessee affiliate association for the [National Rifle Association of America](#). The NRA is the oldest major marksmanship organization in the U.S.A. It was founded in 1876 to promote marksmanship among the citizenry. As the Tennessee affiliate of the NRA, TNSSA ascribes to the NRA goals and objectives and they organize state championships under the NRA model.

Tennessee Shooting Sports Association

A primary objective of the [Tennessee Shooting Sports Association](https://tennesseeshootingsportsassociation.org) (TNSSA) is to serve as the NRA sanctioning body for Tennessee State Championship Tournaments associated with the NRA competitive shooting disciplines, preserving the legitimacy and honors associated with such tournaments. The NRA competitive shooting disciplines include Air Rifle, BB, Black Powder and Muzzleloader, Highpower, Pistol, Silhouette, and Smallbore. Each of these NRA competitive shooting disciplines has an assigned member of the Association Board of Directors that is authorized to be the TNSSA authority responsible for the sanctioning of State Championship Tournaments in these disciplines. These Board members are referred to as Shooting Discipline Directors (SDDs). The purpose of this policy is to provide guidance to the SDDs for the sanctioning of State Championship Tournaments in their respective NRA shooting sport discipline.

In order to encourage competition at the highest levels for both adults and juniors, the TNSSA sanctions all State Championship Tournaments conducted in Tennessee in the NRA adult and junior disciplines and in the USA Shooting/CMP Junior disciplines. This is done by arrangement with local clubs and schools in Tennessee. Any local club or school club wishing to conduct a State Championship Tournament may request permission by contacting the TNSSA.
