with deposits \$104,105.92

less athlete support - \$11,065.32

ACTUAL BALANCE S/B - \$93,040.60

JUDGES' REPORT

USAGWA Meet Draw

At this time Sandy has asked for meet request forms to be sent in on all priority meets which are meets that have been on the calendar for over 10 years and those having outside venues.

All other meet requests will be accepted in person at the state draw held on June 24th.

– The judges association would like no more than 3 meets on a weekend based on the number of judges in our state.

Discussion on judges's availability for our Dev Stat meet due to NCAA conflicts.

It was questioned if we can get more judges to attend and help with 9/10 Westerns/National qualifier workouts.

NAWGJ Assigning/Judge's Availability (to give us some comparison)

- 55 Judges were assigned in Washington to 58 meets this past season, compared to Texas has 72 meets with 149 judges.
 - Need to work on reducing the number of meets if possible.
- Mentoring program that Patty and Priscilla are working on to help increase our numbers.
- Meet Directors should work with the assignors, the meet referee has nothing to do with the meet format, just the refereeing of the meet.
- Discussion on state/regional/western/national judges

Fundraising

The judges association along with Washington clubs were able to fund raise money to support the judges of Washington state for various educational tools and events.

OLD BUSINESS

State Sweatshirts – Everyone wants to keep this

State Championships – overview – foremat was well received, needed separate awards room.

Floor Managers needed, Vault Flasher to be purchased by the state.

Regional Championships– suggestion to move 9/10 to Friday

NEW BUSINESS

State Congress – Discussion about setting a schedule, topics & athlete clinics.
