Dr APJ Abdul Kalam 2nd Year Remembrance Day 2017 – Under Women Empowerment Project Dr APJ Abdul Kalam International Foundation by House of Kalam Rameswaram Distributed sewing machine to Under poverty Fishery women Community Peoples @ Dr Kalam National Memorial Peikarumbu Rameswaram

To access opportunities in a variety of fields such as in education, profession, lifestyle, etc., without any limitations and restrictions Dr APJ Abdul Kalam International Foundation organized the women Empowerment program. Women Empowerment means power in the hands of women. It signifies that women should be given equal opportunity in every field, irrespective of any discrimination.

Women Empowerment is the process that creates power in women to live a happy and respectable life in a society.. It includes raising their status through education, awareness, literacy and training. It also includes the authority to take decisions. When a woman makes a crucial decision, she feels empowered.

Actor Lakshmi Ramakrishnan delivered the inspirational speech about Women Empowerment and On behalf of Foundation Actor Lakshmi provided a **woman** with her own **sewing machine** to poor women to earn income.

**Dr APJ Abdul Kalam 2nd Year Remembrance Day 2017 – under Women Empowerment

Dr. APJ Abdul Kalam International Foundation along with India Turns Pink is India's largest women wellness organization organized the conducted Breast Cancer awareness Program.

India Turns Pink is India's largest women wellness organization for breast cancer. India Turns Pink conducted breast Cancer awareness a decade across the nation. Shri.APJMJ.Sheik Saleem -Pink Ambassador of India Turns Pink, Managing Trustee AKIF delivered an awareness speech about breast Cancer.

Cancer, unlike many other diseases that come from the external factors, like infections, life styles and other environmental and physiological stressors, emanate from within the cell. The life software embedded in the DNA material gets mutated and starts growing in a way that is not in-line with the cells around. Life turns against itself. The tragedy becomes unfathomable when it happens too early.

He feels very proud to support and be part of India Turns Pink. The main aim is to create Breast Cancer Free INDIA 2030.

INTERNATIONAL FOUNDATION

Dr APJ Abdul Kalam International Foundation in collaboration with Salcomp Manufacturing India Private Limited, our foundation will be conducting campus recruitment for the women's College students of Diploma and arts and sciences @ Ramanathapuram District Tamilnadu.

Dr APJ Abdul Kalam International Foundation in collaboration with Salcomp Manufacturing India Private Limited, our foundation will be conducting campus recruitment for the women's College students of Diploma and arts and sciences @ Ramanathapuram District Tamilnadu . The Salcomp had come forward to provide this opportunity through our foundation. The HR department of Salcomp visited campuses for the drive.

Dr APJ Abdul Kalam International Foundation has been in the forefront for quite a number of projects aimed solely for the upliftment of the society. We have been targeting citizens of every age group and have been working in tandem with them.

The student community, especially the college youth should be encouraged to perform well with commitment to acquire knowledge, and that they would be in a better position to take up meaningful jobs in accordance with their qualification. The job opportunity for the educated youth is also one of the reasons why many take up higher studies. When there is a dearth of jobs, this surely is a deterrent factor for the students especially from the marginalized sections of the society, who would mostly be first generation graduates

to reach college. Hence to encourage them to confidently step into the next phase of their lives, there should be ample job opportunities.

In view of Vision 2020, the youth of this country need the necessary support factors to propel us on the path of a developed nation. An active young working force is a valuable asset to any country as they are one of the main driving forces for a flourishing economy.

This Campus Interview drive employed more than 100 candidates

To,

**The Chairman
Dr. Abdulkalam International
Foundation House of Kalam –
Rameswaram.**

Sub: Campus recruitment request

Greetings, we Salcomp Manufacturing India Private Limited, would be immensely interested in placements for your Students.

Salcomp develops and manufactures adapters for mobile phones and other electronic devices. We are a market leader in smartphone and tablet chargers, and our main customers include the major smartphone and tablet manufacturers. Salcomp also delivers power adapters for notebooks, gateways, routers, LED lighting and other electronic applications. Outside the core adapter offering, Salcomp also manufactures external battery banks and data link cables. The cumulative production volume of our smartphone chargers makes Salcomp a pioneer in its industry. The current annual capacity of our production is approximately 520 million pieces. Salcomp's headquarters are in China and the production plants are located in Guigang (China), in Manaus (Brazil) and in Chennai and Noida (India). In addition to these, we have offices in the USA, Brazil, Taiwan, South Korea, Hong Kong and Japan.

We are planning for further expansion of our industry and we intent to nurture and develop you with our organization. Today's Young generation acts an important role in development of Industry.

We have a requirement of Diploma Engineering Trainees (DET) from ECE and EEE (Female) students in our organization.

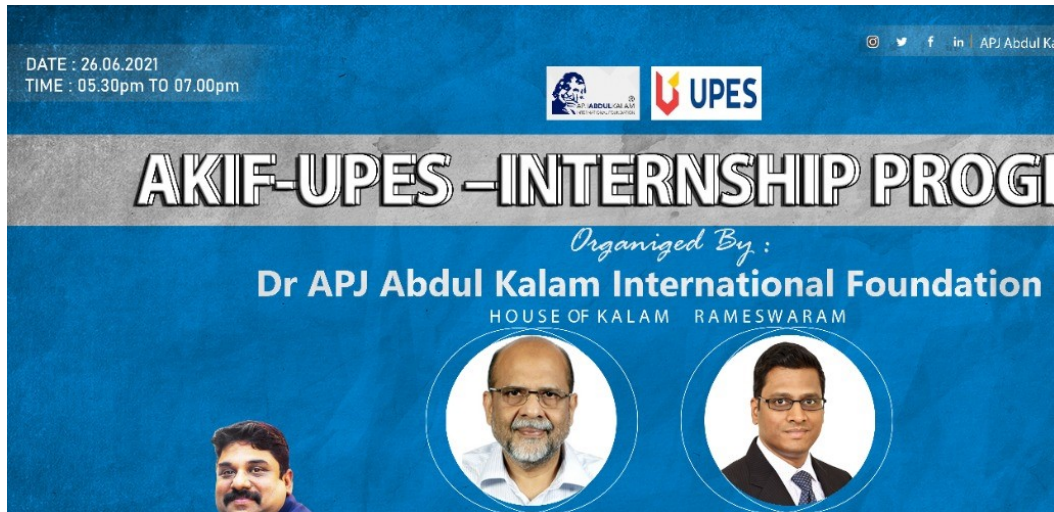

Thanking you,

Yours Sincerely

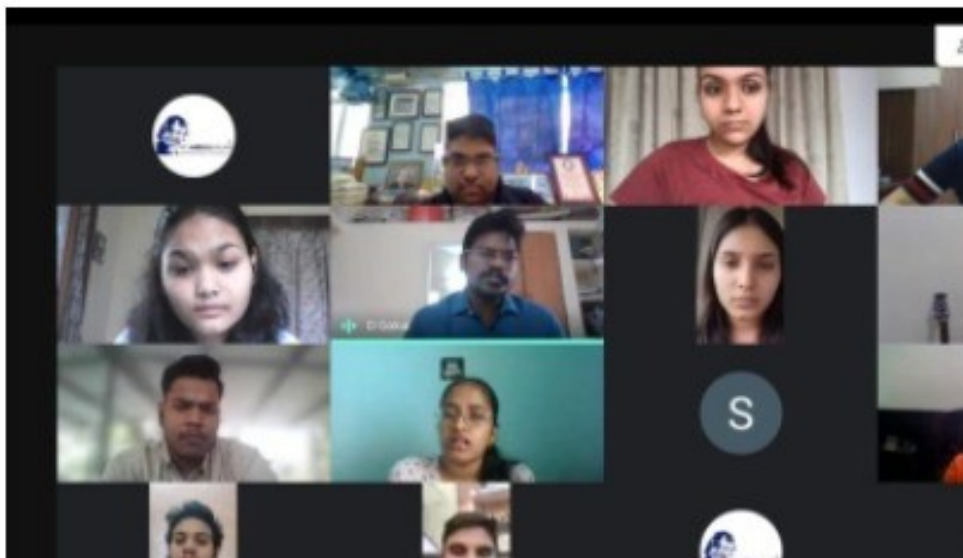

For Salcomp Manufacturing India Private Limited

Subject: **Participation as Main Associate Partner for National Conference
“Beyond Vision2020: Digital Transformation for All”**

Respected Sir,

At the outset, it is a matter of immense pleasure to note that an excellent initiative has been taken by the Dr. A.P.J. Abdul Kalam Foundation to hold a National Conference “Beyond Vision2020: Digital Transformation for All”. Further it will be a matter of proud privilege for IGDTUW to be the main Associate Partner in the said conference.

Faculty members, staff and the students of the University would be happy to support/undertake various professional and administrative activities to make this event a great grand success.

Looking forward to have an excellent and knowledge sharing Conference ahead.

Sincerely Yours,

Dr APJ Abdul Kalam International Foundation by House of Kalam Rameswaram Vs Indira Gandhi Delhi Technical University for Women New Delhi Dr.A.P.J. Abdul Kalam Chair on IGDTUW Indira Gandhi Delhi Technical University for Women for Students research Activity and National Development.

Dr APJ Abdul Kalam International Foundation in associate with A R Rahman Foundation provided the platform for Women to participate in the Art of Film making Workshop with Mr.Mohsen Makhmalbaf.

It was a great pleasure for us to see deserving talented young women calling the shots behind the camera and showing us a world on the silver screen, their perspective. Dr APJ Abdul Kalam International Foundation would be most pleased to support in this women's empowerment endeavor.

We AKIF was sent 50 Women's College Students for this training Program out of which 5 of them are selected for the final selection

Dr. A.P.J. Abdul Kalam Space Research Payload Cubes

Challenge – 2021

On February 7, 2021, 50 girls Schools from various State's Under Poverty family Back ground people's are created a world record of launching 100 Femto satellites.

This historic feat was achieved by the Schools students.

It was truly a moment of pride for the 1000 euphoric students to see the satellites soar high into the sky. The launch of 100 Femto satellites in a single high altitude scientific balloon created four world records in the World Records Book, Asia Book Records Book, India Book Records Book, Assist World Records.
