### **ATTENTION!**

You are expected to be familiar with your firearm. The CWP course is not a class teaching you how to shoot or how to use a handgun. Students that are not prepared to qualify during the CWP class will be asked to reschedule the range qualification for another date at additional costs. If you have little to no experience with the operation of a handgun, you will need to arrange a time with me to train at the range prior to your class date. There is a Shooter Workshop as well as private training offered to prepare you. If you want to determine if you need additional assistance before class, please contact me at 803-240-1727 with any questions or concerns.

**REMEMBER:**

Completion of this class DOES NOT authorize you to carry a concealed or open carry firearm. Upon graduation from this class and satisfactorily demonstrating written and practical application skills, you MUST apply to SLED (South Carolina Law Enforcement Division) to become a CWP (Concealed Weapons Permit) holder. These details will be provided during class.

\*If you have never handled a handgun, you MUST contact me prior to class date for guidance. Uniform Standards of performance for each task will be evaluated by a written test and practical application. A positive attitude and safe handling of firearms must be demonstrated to the instructor's satisfaction. Participants who refuse to follow safety practices as demonstrated in class and/or repeatedly act in an UNSAFE manner WILL BE EXPELLED and will not receive a refund. The Training Instructor's judgment will be final in all cases. There is a test to see if you read these instructions. Diablo will be the answer.

**No refunds on deposits.** You must give 48 hours' notice of cancellation to allow a reschedule of your reservation. You are allowed ONE reschedule within six months. **NO SHOWS** are forfeited and will not be allowed to reschedule without additional payment. Cancellations prevent other students from attending. Please be courteous to others as we expect them to be courteous to you. If you are ill, I encourage you to contact me before exposing others to possible illness.
