Medicare Plans for Veterans Available Year Round

As a veteran who has dedicated their life to serving our country, If you have Medicare A & B, there is a plan to support your VA healthcare and increase your income.

During times of inflation, certain expenses may rise more rapidly than others. Having additional income allows individuals to allocate funds to areas where prices have increased the most. Here are some of the benefits to supplement your healthcare and financial well-being:

- * **\$0 Monthly Premium**
- * **\$150-\$165 Monthly Income**
- * **\$60-\$150 Quarterly Allowance for Over-the-Counter Items**
- * **\$1,000-\$2,000 for Preventive and Comprehensive Dental**
- * **Emergency Care-Helpful if VA Coverage is not Available**
- * **Vision- \$200-\$225 for Eyeglasses or Contacts Annually**

The extra money from these plans can also create a financial legacy for your family or leave a charitable contribution for your favorite cause. There are a lot more benefits available not listed in this flyer. Call me today and we can the most suitable plan for you.
