

# VFW MEMORIAL BRICK PROGRAM

VFW Post 6878 is proud to have and maintain the All Services Memorial here in Proctorville. As part of the memorial, we are attempting to surround it and line each side of the walkway with engraved "In Memory of" or "In Honor of" bricks. Each brick can hold the name, rank, and branch of service for the person you wish to remember or honor. If the individual died as a result of combat, the brick will be placed around the memorial. If the brick is "Honoring or Remembering" an individual, it will be placed along the memorial walkway.

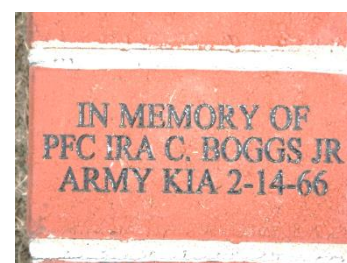

The bricks are red in color, 4"x 8" in size and hold up to three 20 letter/space characters per line. The cost of each brick is \$50, the funds help maintain the memorial.

If you would like to see a loved one's brick become a part of this memorial, please call Quartermaster Gerald Bloss at (304) 972-6495 or contact a member of our Post.
