- You must have your membership card with you when using the range.
- Follow the instructions of the Range Safety Officer.
- When the cone is up on top of the Traphouse, no guns are to be loaded.
- No one is to go down range when squad is on line and shooting.
- Only one person per station, unless authorized by RSO.
- One round only will be loaded per target.
- Leave the gun action open until it is your turn to shoot.
- Gun action must be open when moving.
- Loaded guns must be pointed only downrange.
- A sixth person may shoot on line, only after RSO asks the squad if they mind having a sixth shooter and everyone OK's it.
- Back up Shooting must also be cleared the same as above.
- Minors under the age of 12 may not possess or use firearms.
- Minors age 12 to 18 must be accompanied by a parent or guardian.
- No vehicles of any kind may be driven onto the Shooting Range area.
- Pick up your casings when done shooting.

Other Ranges (Upper and Lower Pistol Ranges, Big Bore Range, Archery Range)

- If you are the first person active at the New Pistol/Archery Range, you must put up the flag to indicate that the range is active. The last person shooting must lower the flag.
- You must sign in at the proper place for the range you are using.
- You must have your membership card with you when using any range.
- Make sure the "Range is Hot" sign is displayed while you are using the Range.
- Outdoor Ranges are closed on Sunday afternoons until Trap is over.
- On Sundays, there is no shooting before noon on any of the outdoor ranges.
- Always clean up your casings and brass.
- Bring your own targets, and when you leave take them with you; do not leave them hanging, whether used or unused.
- When done shooting and leaving the Range, change the "Range is Hot" sign back to "Range is Safe" (if you are the last shooter).
- The Pistol Ranges are for pistols only.
- When Archery Training is taking place, the Upper Pistol Range is closed.
- All Ranges are shut down during the first week of Big Game season.
