Building Permits

Richardson Inspection Services LLC
724-406-0031

BUILDING PERMITS

It is the residents responsibility to obtain a building permit. If a project is started without a permit you will be fined. To obtain a permit contact Richardson Inspection Services .

SEWAGE PERMITS

Sewage Applications are required for all new testing and repairs to existing systems. To obtain an application call the township office. If any work is done without a permit you will be fined.

WINTER MAINTENANCE

Please do not park your vehicle on the township road or right-of-way. This causes a safety issue for motorist and the road department's ability to maintain

MAILBOXES

The township is not responsible for damage to mailboxes that are in the township's right-of-way. The front of the mailbox should be setback 36" from the edge of the road.

DEER REMOVAL

If there is a dead deer along a State Highway call PennDOT at (724)284-8800 to report the location. If the deer is on a township road, call the PA Game Commission at
