Board of Supervisors Meeting

1st Tuesday of Month unless advertised or posted
on office door.

To be put on the Agenda, call the office and leave
your name and subject matter.

****SUMMER ROAD PROJECTS****

This summer the one lane bridge at the
intersection of Rattigan Road and Rabbitt Road is
being replaced with a two lane bridge. Detours
will be in place from approximately May through

October. The project is for the safety and needs of township residents.
The current bridge continues to deteriorate with the potential of
having a weight limit below the needs of emergency vehicles and
school buses. The two lane bridge will also reduce the risk of head on
collisions. We ask all residents to use caution when traveling this area
and do not approach any contractor directly.

SUMMER MAINTENANCE

The Road Crew will be mowing, replacing
culverts, and other routine maintenance on
Township roads. Please take caution while
traveling.

For your safety and the safety of Township Employees DO NOT
approach the Road Crew while they are working on the roads or
by stopping at the Township Maintenance Shed. The procedure
for filing a complaint is to call 724-445-7303 to be placed on the
Agenda for the next Monthly Board of Supervisors meeting.

CULVERTS

Residents are responsible
for
Maintenance of their
Driveway and Mailbox
culverts.

The township **IS NOT** responsible for damage to mailboxes that are in
the township's right-of-way. The front of the mailbox should be setback
36" from the edge of the road.

With nice weather here, it's the perfect time to get outside and clean our yards. Donegal Township has a Nuisance Ordinance which states:

"The Board of Supervisors of Donegal Township, Butler County, Pennsylvania, finds that removal of nuisances is in the interest of the citizens of Donegal Township and that removal of nuisances on public and private property promotes the public health, safety and welfare of all residents of Donegal Township." **To read the complete Ordinance go to our website.**
