Supervisors Monthly Meeting—6:00 p.m. first Tuesday of month unless posted

Donegal Township has applied for and received the following grants:

LSA Grant to purchase F650 truck

LSA Grant to purchase plow, spreader, and tarp

Scott Foundation to purchase generator for maintenance shed

The Board of Supervisors are in search of a parcel of land within the township. A minimum of 10 acres is required. Once the land is purchased, grants will be applied for in order to construct a new building. The building will be used for the road maintenance shed and the township office along with a meeting room. Future plans could provide for the building to also house the tax collector, EMS, building permit and sewage officer offices. If you are interested in selling or know of vacant land, please call the office at 724-445-7303 and leave a message.

Spring is a great time to clean out all those old items we have laying around. For a guide on how to recycle and drop off dates please visit our website.

BUILDING PERMITS

It is your responsibility to obtain the proper paperwork for ANY construction prior to beginning any work. If a permit is not applied for, you will be **fin**ed 3 (three) times the amount of the permit.

To obtain the proper paperwork either call Richardson Inspection Services at 724-406-0031 or go to their website:

Richardsoninspectionsservices.com

You will need to complete the following forms:

Permit Application

Donegal Addendum

Donegal Dwelling Form

Butler County Building Permit Application

The above forms must be completed whether the building is exempt or not.

Agricultural Buildings are only exempt from the UCC code if it is used for: "a structure used to store farm equipment, hay, seed, grain, or other agricultural or horticultural products. Or, any building used to house poultry, livestock, horses, or other farm animals."

SEWAGE PERMITS

All new sewage systems and/or repairs require a permit. Contact the office for an application.
For questions and testing contact David Ice
724-894-2302

PARKING

The Township recently adopted an Ordinance providing restrictions on parking on or near public roads. To read the details of the Ordinance, please visit our website.

MAILBOXES

The Township is not responsible for damage done to mailboxes placed in our right of way. For USPS standards on placing a mailbox please visit: <https://www.usps.com/manage/mailboxes.htm>

CULVERTS

It is your responsibility to keep your driveway culverts cleaned out. This will prevent a buildup of debris which can cause drainage problems.
