Adoption

Foster-to-Adopt

Our foster-to-adopt allows families to foster the dog for 30 days, with the intention of adopting the dog after the 30-day period. If after the 30-day period you decide not to adopt the dog, Airsong's Angels, Inc. will look to place the dog in another home. You will be expected to continue fostering the dog for up to 30 days (for a total of 60 days) so that another home can be found. Note: All puppies and young dogs remain in foster care until Airsong's Angels Inc, confirms receipt of a spay/neuter certificate.

Temporary Foster

Our traditional foster program is a short-term, temporary foster that is typically 90 days or less. During this time, Airsong's Angels, Inc. will be actively looking to place the dog with an adoptive family.

**Instructions:** Please enter your responses in the right column of this table. Please complete this form in its entirety. We use this information to assist us in finding the right home for the animals in our care. Incomplete applications will not be reviewed.

### **FAQ's for Potential Adopters/Fosters:**

- How long will it take to hear from Airsong's Angels once I submit my application?
  - Airsong's Angels, Inc. is a volunteer run rescue. Typically, it can take 2-4 weeks for qualified applicants to be contacted by rescue. During busy times, there may be additional delays in responding to applications
  - To allow our volunteers time to rest and rejuvenate, we do not process applications (except for urgent placements) from mid-November through mid-January.
  - We prioritize application review based on the needs of the dogs that we currently have in rescue.
  - Incomplete applications will not be reviewed.
- Why is the application form so long?
  - We are dedicated to the best interests of the animals in our care and are focused on finding the best family for that dog. This application and the other stages of our applicant vetting process are designed to help us match our dogs to families in which they will thrive.
- What happens after I submit my application?
  - Your application will be reviewed by one of our volunteers. If the reviewer determines that your application would be a good match for a dog in our care you may be contacted for a phone/Skype interview. All adult members of your household must participate in the phone/Skype interview.
  - If the phone interview goes well, you may be contacted for a home visit. During the home visit, a volunteer will come to your home to meet with your family and inspect your home/yard – specifically looking for items that may be a safety hazard for a dog.
  - If the home visit goes well, you may be invited to meet a dog.
  - **Please note:** Airsong's Angels does not make any commitments to find a dog for you, no matter how far you advance through the application process.
- What are the adoption fees?
  - As of January 2018, Airsong's Angels non-refundable adoption fees are:
    - \$500 for a puppy
    - \$375 for an adult dog

\*\*\*Adoption fees are *not* a tax-deductible donation \*\*\*
- Can I breed a dog that I adopt through Airsong's Angels?

# AIRSONG'S ANGELS, INC.

## ADOPTION/FOSTER APPLICATION

- No. All animals placed will be neutered or spayed before placement OR if the animal is too young to be safely neutered/spayed at the time of adoption, the adopter must sign a spay-neuter agreement and will be required to provide a certificate from their veterinarian certifying that the procedure has been performed.
- If I adopt a dog from Airsong's Angels, Inc. and I'm unable to keep care of it, can I sell the dog, bring it to a shelter or give it away?
  - No. You may not sell or give away any animal you adopt through Airsong's Angels. If you are unable to keep the animal, the adoption contract requires that you return the animal to Airsong's Angels Inc. currently located in Box Springs, GA. You will be accountable for transporting the dog to Airsong's Angels Inc.
