A Family Perspective By Bud Ozar

The question of the Sadducees to Jesus is framed in a story about a family with seven brothers and their sister-in-law. Through story telling families remember their shared past and expose the companionship of God in your family from generation to generation.

A Family Perspective

La pregunta de los saduceos a Jesús se plantea en una historia sobre una familia con siete hermanos y su cuñada. A través de la narración de historias, las familias recuerdan su pasado compartido y muestran la compañía de Dios en la familia de generación en generación.

Pastor Note / Nota del Pastor

I really like Father's Mass....

One of my concerns that I carry with me is that, in the midst of so many voices, I have heard the voice that comes from the Spirit, and I have learned that sometimes it comes through people, sometimes it comes through interior motions, sometimes it comes through events that take place on a daily basis.

I want to share with you one of them, last Saturday some friends from Detroit asked me if I could celebrate a Quinceañera Mass for their youngest daughter. As I was leaving, a couple who regularly attend Sunday Mass at our parish church approached me. They've been coming for a couple of years now, and as I was saying goodbye, they said, "Father, we wanted to let you know that we won't be coming to Mass tomorrow." I replied, "You'll make me miss you," and they responded, "Oh, Father, we really enjoy your Mass." Upon hearing those words, I simply thanked them for their continued attendance.

I've confessed to you before that I celebrate Mass because I love it, and that if I were ever to lose my joy in celebrating Mass, I would stop. This idea hasn't changed in my mind and heart; I always maintain that decision. And when I hear that you like what I like, it makes me so happy. And if I feel happy, can you imagine how God, our Father, must feel about us?

We are going to continue celebrating, doing and attending Mass because we like it, do you think/ Especialmente cuando estamos conscientes que un día el tiempo y la energía se acabarán. Fr. Molina

Me gusta mucho la Misa del padre....

Una de mis preocupaciones que llevo conmigo es la de, en medio de tantas voces, escuchar la voz que viene del Espíritu, y he aprendido que algunas veces ésta viene a través de personas, otras veces llega a través de mociones interiores, otras veces llega a través de sucesos que tienen lugar en el día a día.

Quiero compartirles una de ellas, el sábado recién pasado me pidieron nos amigos de la ciudad de Detroit que si podía celebrarles una misa de Quinceañera de su última hija, y en mi tiempo de salida del lugar, se acercó una pareja que desde esa área suelen venir a misa domical todos los domingos a nuestra Iglesia parroquial, tienen ya un par de años de perseverar en ello, y mientras me despedía me dijeron “padre queremos hacerle saber que mañana no iremos a nuestra Misa, y yo respondí, gentes, me harán extrañarles, y ellos contestaron, hay padre, nos gusta mucho su misa”, ante aquellas palabras yo solamente agradecí a ellos por su perseverancia en su asistencia a nuestra Misa.

Algunas veces he confesado a Ustedes que celebro misas porque me gusta la Misa, y que si un día llegara a perder mi placer por celebrar la Misa, yo ya no lo hare. Esta idea no ha cambiado en mi mente y corazón, siempre mantengo esa decisión, y cuando escucho que a ustedes les gusta lo que a mí me gusta, me hacen sentir tan Feliz, y si yo me siento Feliz, se imaginan cómo se sentirá de nosotros Dios, nuestro Padre?

Vamos a seguir celebrando, haciendo y asistiendo a Misa porque nos gusta, les parece/ Sobre todo cuando estamos conscientes que un día el tiempo y la energía se acabarán. Fr. Molina
