A Family Perspective By Bud Ozar

In today's gospel "the apostles gathered around and told Jesus all they had done." Listening allows the other person to express, understand and appreciate their experiences. Whether it is the excited chatter of young child or the repetitious stories of an aging grandparent, listening is important. It is not just time well spent, it is sacred time.

A Family Perspective

En el evangelio de hoy "los apóstoles se reunieron y contaron a Jesús todo lo que habían hecho". Escuchar permite a la otra persona expresar, comprender y apreciar sus experiencias. Tanto si se trata del parloteo excitado de un niño pequeño como de las historias repetitivas de un abuelo anciano, escuchar es importante. No es sólo tiempo bien empleado, es tiempo sagrado.
