

THE FASTEST, MOST CONVENIENT WAY TO CLEAN YOUR GARAGE

Vroom Retractable Vac® brings the speed and convenience of central vacuum retractable hose systems to your garage! Just pull out the hose, vacuum any mess and retract back in seconds. With its extensive hose reach, the Vroom Retractable Vac cleans everything inside and outside your garage: cars, workbenches, shelves, floors, ceilings and more!

- Bring central vacuum power to your garage messes
- Great for quick clean-ups and more thorough vacuum jobs
- Comes standard with 30' of hose, but can be customized up to 50'
- Surface-mounted for easy installation
- Covered by a 3 Year Warranty
- Optional accessories available to meet every cleaning need

How to Clean Your Garage

- 1. PULL** Pull the hose out until it locks into place.
- 2. VACUUM** Switch on the power and vacuum.
- 3. RETRACT** Simply twist the hose, cover the end with your hand and the power of the vacuum retracts the hose automatically. It's that easy!

SpeedZone™
EVERY DAY VACUUM

Vroom Retractable Vac® is part of the SpeedZone family of products for every day vacuuming. Great for quick clean-ups! Just pull out the length of hose you need, vacuum the mess and retract the hose back into place.
