

TACKLE TREE LOSS IN NORFOLK

**Apply for a free tree pack this
winter and plant 50 or 100
trees on your land.**

Farmers and Landowners can apply for up to two packs of 50 trees. Species have been carefully selected to replace trees being lost to pests and diseases. Tree protection is included. This offer excludes The Broads National Park.

To reserve your tree packs, please email
easternclaylands@woodlandtrust.org.uk or scan here
