Important information, please read carefully before completing documents.

This document has been prepared to assure that the person(s) contracting services from Duzak Funeral & Cremation Center, Inc. understands and agrees to the information below.

*****Power of attorney is not valid to authorize cremation unless stated in the POA document*****

CREMATION PROCESS

In order for cremation to take place for all funeral homes in the State of Michigan, proper next of kin or kins need to sign the cremation paperwork. The next of kin is as follows in order of priority. Funeral Representative, Spouse, Majority of biological children over the age of 18, Majority of biological grandchildren over the age of 18, Biological parents, Biological grandparents, Majority of biological brothers and sisters over the age of 18, any Biological nephew, niece, uncle, aunt, cousin over the age of 18.

Once we receive the completed and signed forms, we obtain a signed death certificate by the attending physician, PCP, hospice doctor or medical examiner. This is required before the cremation will take place. It is required by law that the county medical examiner issues a cremation permit, and the county medical examiner won't issue a cremation permit until the death certificate is signed.

Please note, it takes up to 48 hours to obtain a signed death certificate and 24 to 48 hours to obtain the cremation permit. Please allow 5 to 7 business days for the cremation to take place.

CERTIFIED COPIES OF THE DEATH CERTIFICATE

Once the death certificate is signed, we will email over a file copy for the family to review. Please review it carefully as once it's filed, if you approved it with any inaccuracies, you will be responsible for charges to correct it along with copies of the new death certificates. Once approved by the family, we will file it electronically and the death certificates will be ready for pick up with the cremated remains. If you are need of the death certificates sooner, we advise you order them on your own directly from the clerks office.

PERSONAL PROPERTY

If we are in possession of any personal effects, we will return them to you if you wish. We do not return clothes given to us from a medical examiner's office. Please note shipping costs will apply for items that aren't shipped with the cremated remains.
