

Heaven to Earth Living

The only way to become holy is to live from the Holy One. The only way to be pure is to live from the Pure, and to become love, we must live from Love.

To live godly, we must live from God, from the Spirit of life who has made us free from the law of sin and death through Jesus Christ.

There is no imitation, no pretending, no substitute. We cannot fabricate righteousness, nor simulate the fruit of the Spirit. We must live from the source.

I Corinthians 2:11-12 "For what man knows the things of a man except the spirit of the man which is in him? Even so no one knows the things of God except the Spirit of God. Now we have received, not the spirit of the world, but the Spirit who is from God, that we might know the things that have been freely given to us by God."

To live as Heaven lives, we must live from Heaven.

Jesus prayed: *"Your kingdom come, Your will be done on earth as it is in heaven."* Matthew 6:10

He did not tell us to try harder from earth to reach up to Heaven. He called us to live from above, from the heavenly realm, where Christ is, seated at the right hand of God (Ephesians 2:6).

We are not climbing toward holiness; we are abiding in the Holy One. We are not hoping for freedom; we are living from the One who has conquered death. Outside of Christ, all are still bound by death's grip, but in Him, we are made alive.

The Spirit of God has taken up residence within us, and from that sacred place, rivers of living water flow, watering the world with Heaven's touch.

"Set your mind on things above, not on things on the earth." Colossians 3:2

This is the divine poetry of Heaven to Earth living, the Word descends like rain, water for the soil of our hearts, bringing forth fruit that glorifies the Father.

"For as the rain comes down, and the snow from heaven, and do not return there but water the earth... so shall My word be that goes forth from My mouth; it shall not return to Me void, but it shall accomplish what I please" Isaiah 55:10-11

Heaven touches earth when we abide in Christ. And when we live from Him, we don't just carry His message, we *become* His message. We are not just recipients of His presence, but vessels of His will, His power, and His glory.

This is the essence of Heaven-to-Earth living: to become so rooted in Him that the world around us begins to feel the weight of His Kingdom.
