Dear Mr. Ferguson:

Greetings! I have had the wonderful opportunity to hear you perform your rendition of Dr. Martin Luther King, Jr.'s "I Have A Dream" speech. You have a high quality presentation and sounded very similar to Dr. King. The speech was very moving and soul stirring. I am very impressed with your work and would recommend you for any event or program where such a presentation would be appropriate.

Again, I thoroughly enjoyed your "I Have A Dream" speech and wholeheartedly endorse your work. If you need anything, please feel free to contact my office at the information listed on my enclosed business card.

Sincerely,

A handwritten signature in cursive script that reads "Larry Shaw".

Larry Shaw
