GAME RULES: This is a double elimination tournament. You play until you lose twice or become the champion. The action on and off the court will be fast paced so it will be important for your team to stay together. Many of the games will be played back to back so keep an eye on the brackets for the location and time of your next game. Some teams may have to play multiple games in a row, so it is strongly suggested to have 4 players.

- The winner is the first team to score 15 points, if winning by 2, or the first team to reach 20 pts.
- If neither team has the required points, the highest score at the buzzer wins. **If the game is tied at the buzzer, play will continue and the next basket wins.** You do not need to win by 2.
- 1 point per basket - 2 points if shot is from the 3 point range.
- Each game will be 15 minutes long. A coin flip will determine the first possession.
- The ball will be taken out at the top of the key and one pass must be made to inbound the ball before you shoot (after a basket is made or ball went out of bounds).
- On a change of possession during play (turnover), the ball must be taken outside the 3 point line before shooting. Do not need to have 1 pass in this scenario.
- If fouled and shot does not go in, you get the ball back at the top of the key. If fouled and the shot goes in, the basket counts AND you get the ball back at the top of the key.
- 5 fouls per person.
- Substitutions made only at a change of possession at the top of the key – keep play moving.
- No taunting or fighting! **Fighting will result in immediate team expulsion!!**
- Boys brackets 3rd thru 6th and all girls brackets will use a 28.5” ball. All others will use a standard 29.5” ball.
- No jewelry allowed.
- Medals given for 1st and 2nd place.
- Holyland Civic Center is not responsible for injuries. Please provide your team with medical supplies as needed.
