### **BOOK UPDATE**

I just completed the edit phase of the process and am now officially in page design, and I am SO excited! During this phase, I get to work with the designers to pick my font, work on spacing, margins, and all the fine details of how it will look. It is the first time I have read through my manuscript in quite a while with pictures. My book is a total of 168 pages and looking like a real book now! Estimated publish date right now is March 6<sup>th</sup>!

### NEW ADVENT DEVOTIONAL

One of my new author friends, Christine Trimpe, just debuted her first book. It is an Advent Devotional Study on Luke, running from Decenber 1-24. I decided to use her book as a study and connection opportunity among my Bible study ladies. I currently have the opportunity to lead two different groups during the week. I offered the study with two weekly ZOOM options over a three week period in December. I was blessed with 35 women who signed up to connect with Christine's book!

## FACEBOOK BOOK LAUNCH

Stay tune in January for an invite to be part of my Facebook book launch. If my publish date stays March 6<sup>th</sup>, my book launch will be in February!

### SPEAKING OPPORTUNITY

My heart's desire is to share my story of perseverance and faith through the written words of my book and through speaking opportunities. If my experiences could encourage and equip others, then that is my goal in sharing. On my website, under speaking, you will find my one sheet and speaking topics. If you have a group, large or small, that I could speak to in person or virtually, please reach out to me. I would love to share!

Gather tonight for our November Zoom Connect as we get to know Lori Vober and continue our conversation about pre-writing.

I have been very blessed by the friendships and connections made through the Redemption Press writer's tribe called "She Writes For Him" This is the same organization that hosted the bootcamp in October that helped me with my 31 day devotional. As a tribe, we meet every Tuesday night through Facebook. I was recently asked to share some of my story with the group.

They offer in person and virtual retreats, writer bootcamps, and a weekly writer's tribe. For more information, go to www.shewritesforhim.com or www.redemptionpress.com
