*Bringing Hope to Stroke Survivors and Others Who Have Experienced Unexpected Challenges*

Are you looking for a speaker who understands hard challenges and has not only survived but thrived through them?

**2023 Readers' Choice Award in Two Categories at The Christian Literary Awards**

Survivor. Overcomer. Beating the odds one day at a time. Lori Vober awoke paralyzed on the left side. In an instant, her life changed. However, she was determined to get better. She is not defined by everything unplanned that happened to her.

Lori engages the audience and addresses the issue that we all have challenges in life. Problems are not the foundation of our lives. Our faith is. We all have a choice how we react.

Lori motivates her audience to thrive in life, not just survive.
