

LORI VOBER

Author . Speaker . Stroke Survivor

Survivor. Overcomer. Beating the odds one day at a time. Lori Vober awoke paralyzed on the left side. In an instant, her life changed. However, she was determined to get better. She is not defined by everything bad that happened to her.

Lori engages the audience and addresses the issue that we all have challenges in life. Problems are not the foundation of our lives. Our faith is. We all have a choice how we react.

Lori motivates her audience to thrive in life, not just survive.
