

SPEAKER TESTIMONIALS

Lori has shared her story and her heart with clarity, effectiveness and passion. Lori has certainly experienced many severe challenges but will not let any of them stop her. She is a true Overcomer!

Tami Engram, Desert Springs Women's Ministry Director

I met Lori almost a year ago at SWAN's stroke support group and was inspired when she talked and spread words of wisdom. I enjoy hearing about how she seeks the good in all circumstances and uses it to encourage others that are going through unforeseen circumstances. I am honored to work with Lori on a variety of events here in Arizona and look forward to helping her achieve her goals.

Lori Vober has been my Women's Bible Study leader for over three years. The strength and perseverance she shows while overcoming many obstacles in her life, make her a wonderful example and blessing to all of us.
