

SPEAKER TESTIMONIALS

I have been blessed to have known Lori for going on three years now, thru Women's Bible Study at church as our table leader. Lori has dealt with many life challenges, from the physical hardship of stroke to the emotional hardship of raising adoptive children, and yet she is an inspiration to me.

Cindy Johnson, Bible Study Attendee at Desert Springs Church

Lori spoke at our ladies' fall luncheon in October. 2023. She has such faith and shines GOD'S light and love. She wants to testify to everyone she meets about HIS love and how HE carried her through her trials from her stroke. She has compassion for others and wants to share her testimony out of love. I am very blessed to have met her and can't wait to see what GOD does in her life.
