

Wayne Westland Figure Skating Club

Meeting Minutes 4-27-21

Present: Amy H, Shaun T, Missy S, Bill G, Tess K, Sharon M, Renee B, Laurie S.

Meeting called to order at 6:07pm

Previous meeting minutes reviewed and approved with changes discussed, motion by Tess K, 2nd by Sharon M.

New Business: Ice Show debrief- written summary by Shaun T. An Ice Show tracking document was created. Did well staying within the budget. The Ice payment was \$7,002.50, the raffle basket fundraiser raised \$911.00. Final numbers will be reported after receipts are turned in and full accounting will be made available. We had to accommodate many things that the city had going on. 3 speakers were working, 2 need to be fixed. The live feed did not work, we need to work on securing correct equipment to get this to work in the future. Sharon recommends covering the hockey boxes with black curtains in the future to hide them when skaters are going through the curtain. Tess can drop off shirts and programs for those who paid but could not participate in the show.

Board Membership- Amy and Tess are rotating off. Requirement for a new member is to have been a club member at the last election.

End of season celebration discussed- meet at the Mattioli's for a bonfire, bring your own food and drink.

Planning future club activities discussed. Off ice activities can be held outside, weather permitting. Having a movie night discussed. Discussion on renting ice time from Livonia or Farmington and holding an 8 hour day camp with some on ice instruction. Tess and Shaun will think of ideas.

Delegate report: First session of Governing Council meeting tonight and 2 more to follow.

Old Business: USFS is offering 6 grants for 2K for club development. Shaun knows grant writers and will get help to apply. If we can develop an adaptive program Joe wonders when we would offer adaptive ice time while our time is already limited.

Motion to adjourn by Tess K, 2nd Amy H. Meeting adjourned at 6:43pm.

Next meeting May 25th at 6:00pm
