Loyalty Card Terms and Conditions

The following terms and conditions must be observed /adhered to.

Sherwood Pines & Bracelands Campsites

What is the Scheme?

Our loyalty scheme renews **annually**, from January 1st to December 31st. Customers who earn a fully stamped **Platinum** card **within** the current year will be entered into an annual prize draw, with winners & prizes selected at random.

Customers opt to join the scheme at the **Silver** level. Loyalty stamps are earned for every 2- nights, fully paid, qualifying stay. After achieving 2 stamps at the Silver level, the campsite will issue the **Gold** card. After earning 3 stamps on the Gold card, the campsite will issue the final **Platinum** card. Customers retain the cards until time of redemption when they must be handed in on arrival.

Once all 3 levels have been achieved, there is no further opportunity to earn additional stamps or **rejoin** the scheme.

The three levels of the scheme are as follows:

- **Silver Level:** Stay twice (2 separate arrivals) to earn a 1-night free stay.
- **Gold Level:** Stay an additional three times (3 separate arrivals) to earn 2 free nights.
- **Platinum Level:** Stay an additional four times (4 separate arrivals) to earn 4 free nights and be entered into the annual prize draw.

Annual Prize Draw

Customers who complete their **Platinum** card will have their details entered into the annual prize draw. The winner will be selected using a random generator and be informed before a public announcement on December 31st.

By entering the **Platinum** prize draw, customers consent to the publication of their prize draw results online and on social media, as well as potential press coverage, with prior approval if necessary.
