

Walking trails

at Sherwood Pines

There are miles of tracks to discover here at Sherwood Pines, or you can explore the woodland along one of our waymarked routes. All routes start at the carpark.

Trail information

Dragonfly Trail ••• 1.6km (1 mile)

An easy all weather surfaced trail, suitable for pushchairs and wheelchairs. This walk takes in some of the oldest trees in the forest with seating and a picnic bench along the way and at the Dragonfly Pond. All the play areas are found along this trail. Follow the white waymarkers.

Nightjar Trail •••

4.8km (3 miles)

An easy to moderate unsurfaced trail follows the Dragonfly Trail to begin with and then takes you through a variety of the habitats within the forest, ranging from mature pine to lowland heath land. Follow the pink waymarkers.

Rangers Path •••

7.2km (4.5 mile)

Our longest walking trail, exploring the forest landscape from pine and broadleaf woodland and heathland. Gain insights into how Sherwood Pines operates as a working forest. The walk offers a real chance to get some woodland solitude amongst the rich historical and natural features of the area. Follow the brown waymarkers.
