PTO MEETING MINUTES

May 30, 2019 6:00 pm

- HS has an *orange* carpet
 - All student speeches in English. The program has Spanish translation of all speeches.

Treasurer Report

- Kris updated the PTO Reimbursement form – only used by Treasurer and teachers
- Challenge Day will be funded out of SEL category on budget. If Cunha gets a grant, those funds can be allocated elsewhere. Gisette, a HMBHS parent and grant writer, is working on a City Grant for the HS and was supposed to include Cunha's request for Challenge Day funding in the grant.
 - **Action Item** – James to follow up with Gisette to determine if she included Cunha's Challenge Day funding request into the City Grant proposal she was writing for HMBHS.
- Next year, our new Treasurer Liz is going to formalize the process for requesting funds outside the budget line items.
- Money that needs to be spent for rest of the year = \$10k. \$2k spoken for
 - Removed Beautification because we ran out of time and will let next year's PTO and administration decide how best to approach this topic.
 - There is \$8k left in unallocated and unspent funds. We have proposals for all \$8k as follows:
 - \$4,000 for the librarian, Dena Grover's, 8th hour
 - \$1,600 for sports uniforms
 - \$1,900 for Math Department Toolkits
 - \$500 for Great America Angel Fund.
 - We had a short decision about these items:
 - Lisa questioned why PTO is funding uniforms. Michelle explained that it derived from her meeting with the Leadership students. PTO is only funding the uniforms because we have extra money. Normally Cunha Boosters funds uniforms on a rotating basis.
 - Angel Funds for Great America \$500 – James makes sure all students who are eligible can attend this fieldtrip. Some parents may pay reduced costs and school pays the rest. The Administration would appreciate the extra \$500 to help with this event as all Site Funds have been spent.
 - Math Department toolkits – This year the Math Department got a private grant for \$1,000 which they used to send two teachers to a training at Asilomar. They used their PTO department funds to purchase the Math toolkits. For next year, they would like to use their PTO department funds to send three teachers to the training at Asilomar and use this "extra" money to purchase the toolkits.
- Michelle motions to approve \$8,000 for the above list items. Kris seconds. All in favor. Motion passed.
- Lisa mentioned there is a website called Donorschoose.org which is sort of like a GoFundMe for schools.
 - **Action Item:** Investigate the use of the site Donorschoose.org.
- Lisa wondered why there isn't a line item in the PTO budget for the Health & Wellness (H&W) committee. Next year there will probably be a Health and Wellness committee at Cunha, possibly with Manu heading it. At the HS there isn't a budget for H&W. It's a committee that crosses over and can utilize grants, CEF or SEL funds.

Admin Report: James

- James mentioned two issues that occurred this year regarding PTO funds. The first was the funding of the Its Italia teacher holiday luncheon and the second was staff jackets. Apparently someone told the staff the PTO was going to fund jackets for all of them. Everyone was disappointed to learn this was not the case.

PTO MEETING MINUTES

May 30, 2019 6:00 pm

- James said he wants more transparency next year regarding teacher appreciation and PTO funds.
- James stated he can't do a year-end celebration for the teachers this year as the Site Funds have all been spent.
- Michelle mentioned that Mike Andrews, interim Principal, was able to build some bridges and start the healing process with the teachers after the mess Seth Feldman left upon his departure.
- Kris explained that PTO honors the teachers with two events: The Winter holiday luncheon and the Spring Teacher Appreciation Week. During the week, teachers are treated to bagels, cash gifts, etc. with the finale being the lunch.
- Manu suggested we get the students more involved. Something like: one day bring a flower, the next a fruit, the third a note each day, etc.
- Perhaps the Leadership Students could use some of their budget to support the teachers. Even something simply like a potluck.

Other Business: Open Forum

- Manu asked whether there could be leadership classes for all three grades rather than just 8th graders. James said it would be challenging as that would add two new sections and he questioned the maturity of the 6th graders.
 - Michelle said she had several conversations with Mike Andrews about creating a mentoring program between 8th graders and incoming 6th graders – like book buddies in elementary school.
 - James said this was very doable and would look into it for next year.
