Re: Misrepresented Instrument – Bill of Attainder / Foreign Bill of Exchange styled as "MISSOURI 3-DAY NOTICE TO PAY OR QUIT" dated July 6, 2026, Account Name:

ATOYA HUES-EL; and email communications with Kristy Drew ranging from July 7, 2026, to July 10, 2026.

For the record I, Atoya Hues-El, a natural person, in full life, in propria persona, sui juris, do hereby declare the following:

I am the authorized representative, ex rel. ATOYA HUES-EL, and I am in receipt of the above-referenced "MISSOURI 3-DAY NOTICE TO PAY OR QUIT" instrument, which is hereby formally disputed in its entirety.

**Declaration of Nationality and Status**

I, Atoya Hues-El, am a natural person, in full life, in propria persona, sui juris, sui heredes, and not a corporate fiction or legal person under the plausible Fourteenth (14th) Amendment U.S. corporate citizen clause; and not governed under the 'Black code' color of law under the dehumanization classification of "Race: Black."

I am first nation, my nationality is Moorish-American, being a surviving aboriginal heir of the land, owing allegiance to my Moorish government; and my consular protection and treaty rights to inherit are secured under the Treaty of Peace and Friendship of 1836 between the Untied States of North America and the Moroccan Empire, and the supremacy clause of the Constitution for the United States of America under Article VI, clause 2.

**Demand for Validation / Discovery**

Your instrument styled as "MISSOURI 3-DAY NOTICE TO PAY OR QUIT" dated July 6, 2026, and sent via email, and all attachments thereto are hereby disputed in accordance with my prerequisite due process rights.

Before you intend to enforce or compel me to an alleged debt, you must first show that you are the 'holder-in-due-course' of an original (not copy) valid and verifiable 'Rental Agreement' mutually made between you and /or an authorized representative of your foreign company KENSINGTON SQUARE / KENSINGTON SQUARE W80 LLC upon which the alleged debt was made.

Furthermore, pursuant to the **'Best Evidence Rule'** you must also be willing to produce the original 'Rental Agreement' before trying to enforce any alleged debt. See **Black's Law Dictionary, 5th Ed., Page 146:**

> ***Best Evidence Rule.*** *The "best evidence rule"* ***prohibits*** *the introduction into evidence of secondary evidence unless it is shown that original document has been lost or destroyed or is beyond jurisdiction of court without fault of the offering party; if original document*

*is lost, then secondary evidence is properly admissible. State v. Stephens, Mo.App., 556 S.W.2d 722, 723. Fed.R.Evid. 1002 states the basic rule as follows: "To prove the content of a writing, recording, or photograph, the original writing, recording, or photograph is required, except as otherwise provided in these rules or by Act of Congress."*

In accordance with the 'Rule of Discovery' and for the purpose of full disclosure, **you are commanded** to schedule with me a timely meeting and opportunity for my consul and I to make a thorough physical inspection of the alleged original 'Rental Agreement' which bears my wet-ink signature, and all certified rental – related documents that adversely affect the associated instrument styled as "MISSOURI 3-DAY NOTICE TO PAY OR QUIT" dated July 6, 2026, as stipulated by law, so as to enable my consul and I (the alleged feudal tenant / vassal) to physically examine, verify, confirm, and witness the same. The meeting shall be set and concluded to effectuate the above – stated physical examinations and witnessing of all rental – related documents, with the same being orderly arranged, satisfied, and concluded within **five (5) days** from your receipt of this dispute.

Furthermore, you are hereby commanded to produce the following documents, records, and verified information within the allotted period of **five (5) days**:

1. **Identification of the Specie Accepted as "Payment"**

   Verify and identify the specific specie contemplated by the alleged Rental Agreement and accepted by you via KENSINGTON SQUARE / KENSINGTON SQUARE W80 LLC as "payment," including whether the alleged payment obligation requires:

   a. gold or silver coin constituting lawful money—dollars—tendered in payment of debts pursuant to Article I, Section 10, Clause 1 of the Constitution for the United States of America; or
   b. private corporate commercial paper commonly identified as Federal Reserve Notes, securities or negotiable instruments, including checks, money orders, or fiat credit generated from a credit card / debit card instrument, or other signed instrument rendered by me to you via KENSINGTON SQUARE / KENSINGTON SQUARE W80 LLC, which such instruments are disputed as neither "money" nor "dollars" and constitute unconstitutional substitutes for coin rather than lawful payment.

2. **Original Rental Agreement and Complete Endorsements**

Produce the original alleged Rental Agreement—or a complete, legible, and duly certified copy thereof—displaying both the front and reverse sides of every page and bearing my alleged original wet-ink signature, together with every endorsement, assignment, indorsement, allonge, affixation, allocation, rider, addendum, attachment, or other instrument alleged to create or evidence an obligation or debt attributable to me.

3. **Complete Accounting and Bookkeeping Records**

   Produce the complete bookkeeping journal entries, general-ledger entries, account statements, payment histories, deposit records, receivables records, asset entries, credits, debits, adjustments, transfers, assignments, securitizations, and all other accounting records arising from or associated with the original alleged Rental Agreement and the alleged obligation.

4. **Evidence of Superior Title and Authority to Demand Rent**

   Produce the specific claim, evidence, or instrument alleged to rebut or defeat the attached **Affidavit of Fact: Declaration of Aboriginal Heirship, Adverse Claim of Title, and Reversion of Ancestral Estate**, including my asserted inherited aboriginal title and estate in reversion mentioned therein. A deed, lease, tax record, assessor entry, or management agreement beginning at an intermediate point in the asserted chain does not establish superior title.

Each response to the foregoing shall be made by you, or a competent natural person possessing firsthand knowledge of the relevant transaction and records, and shall be verified under oath or affirmation. A conclusory statement, incomplete account summary, unsigned computer-generated record, or response made without competent supporting evidence shall not constitute full and satisfactory production.

## Counter – Claim

Your instrument styled as "MISSOURI 3-DAY NOTICE TO PAY OR QUIT" dated July 6, 2026, together with any account statements, notices, demands for payment, and other instruments associated therewith, and your claim of an alleged rental debt are disputed and declared unconstitutional, notwithstanding, null and void ab initio, and unenforceable for fraud and swindles under 18 U.S.C. § 1341 for the following reasons:

1. **Failure to Establish Superior Title and Authority to Demand Rent**

   You and the foreign de facto companies for which you act, KENSINGTON SQUARE / KENSINGTON SQUARE W80 LLC, through Patrick W. Keefe, and BROAD MANAGEMENT GROUP LLC, through Benzy Fishbane, have not produced competent

evidence establishing superior title to the estate in reversion known as [redacted], [redacted], Missouri, or lawful authority to demand rental payments, feudal services, or duties from me upon my inherited ancestral estate;

2. **Failure to Establish a Complete Chain of Title and Dispute of Threatened Dispossession**

   You have not produced any originating land patent, grant, treaty, or other competent evidence establishing a complete chain of title or any interest allegedly superior to my inherited aboriginal title and estate in reversion asserted in the attached ***Affidavit of Fact: Declaration of Aboriginal Heirship, Adverse Claim of Title, and Reversion of Ancestral Estate***. Nevertheless, through the "MISSOURI 3-DAY NOTICE TO PAY OR QUIT" instrument, you are threatening dispossession unless the disputed rental demand is satisfied. I therefore dispute the notice and the threatened dispossession as acts of coercion, intimidation, fraud, and swindles under color of an unverified claim of title and color of authority;

3. **Dispute Concerning Specie, Lawful Payment, and Discharge of the Alleged Rental Obligation**

   You have not identified the specific specie contemplated by the alleged Rental Agreement or accepted as "payment." In the absence of gold or silver coin in public circulation, I dispute the alleged rental debt and demand clarification of the lawful means by which you contend it can be "paid in full" according to the supreme law of the land, or "discharged" under color of law by the use of unconstitutional counterfeit U.S. coins and fiat currency.

   Article I, Section 10, Clause 1 of the Constitution for the United States of America provides the following:

   *"No State shall ... make any Thing but gold and silver Coin a Tender in Payment of Debts."*

I further invoke 50 U.S.C. § 4305(b)(2), titled **"Regulation of transactions in foreign exchange of gold and silver; property transfers; vested interests, enforcement and penalties,"** which provides:

> *"Any payment conveyance, transfer, assignment, or delivery of property or interest therein, made to or for the account of the United States, or as otherwise directed, pursuant to this section or any rule, regulation, instruction, or direction issued hereunder shall to the extent thereof be a full acquittance and discharge for all purposes of the obligation of the person making the same; and no person shall be held liable in any court for or in respect to anything done or omitted in good faith in connection with the administration of or in pursuance of and in reliance on, this section, or any rule, regulation, instruction, or direction issued hereunder."*

4. **Dispute of Presumed Attornment, Escheat, and de facto Feudal Tenure**

Your apparent position is to presume that, by signing or performing under the Rental Agreement, ATOYA HUES-EL consented to attorn to "KENSINGTON SQUARE / KENSINGTON SQUARE W80 LLC" as landlord or feudal superior and thereby acknowledged ATOYA HUES-EL as a feudal tenant or vassal (i.e., a species of slave) owing rental payments, feudal services, or duties upon my inherited ancestral estate. I expressly deny any such presumption. I executed the alleged Rental Agreement while being treated as incompetent, unidentified, or otherwise unable to appear in my proper aboriginal and hereditary character, and I now claim the estate in allodium secured to I, the present heiress by *jus sanguinis*, under Article XXII of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire.

I do not knowingly or voluntarily consent to any escheat, surrender, conveyance, alienation, or transfer in fee of my inherited aboriginal title, ancestral estate in reversion, or reversionary interest to any stranger; nor do I consent to transform my hereditary possession into a feudal tenancy or to reduce myself to the status of a "tenant" or "vassal" owing rental payments, feudal services, or duties upon my own ancestral estate.

Accordingly, no signature, occupancy, payment, or performance under the alleged Rental Agreement shall be construed as evidence of lawful attornment, surrender, waiver, or recognition of superior title.

To the extent that my ancestral estate was deposited, conveyed, encumbered, or administered through an alleged Rental Agreement, or other instrument while I was treated as absent, unknown, disqualified, or incompetent to claim my ancestral estate, you acquired no greater interest than the instrument could lawfully convey. Therefore, you and your foreign company remained a "stranger" to the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire—being the supreme law of the land preserving my hereditary right of inheritance. Temporary possession, custody, management, or administration de facto of my inherited estate did not extinguish my antecedent aboriginal title or reversionary interest.

You are therefore commanded to produce the alleged instrument and competent evidence upon which you rely to establish:

a. that I knowingly and voluntarily attorned to KENSINGTON SQUARE / KENSINGTON SQUARE W80 LLC as my landlord or feudal superior;
b. that I knowingly and voluntarily surrendered, conveyed, alienated, or consented to the escheat of my inherited aboriginal estate, partly known as [redacted], [redacted], Missouri;
c. that the alleged Rental Agreement lawfully transformed my hereditary allodium possession into a feudal tenancy;
d. that KENSINGTON SQUARE / KENSINGTON SQUARE W80 LLC acquired an estate or title superior to my inherited aboriginal title, ancestral estate in reversion, and reversionary interest; and
e. that my signature upon the alleged Rental Agreement constituted an informed and voluntary waiver of my right of inheritance secured to me under Article XXII (22) of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire.

3. schedule a timely meeting at which my consul officer and I shall be afforded an opportunity to conduct a thorough physical inspection of the alleged original Rental Agreement—not merely a copy—including the front and reverse sides of every page and all endorsements, assignments, allonges, affixations, allocations, riders, addenda, and attachments associated therewith.

**CEASE AND DESIST:** No adverse action or collection can be taken by you or your agents during this validation and rebuttal period. You are hereby directed to cease and desist from

pursuing or enforcing the instrument styled **"MISSOURI 3-DAY NOTICE TO PAY OR QUIT,"** dated July 6, 2026; initiating or continuing any dispossessory or eviction proceeding; interfering with my possession; assessing additional charges; or transferring, assigning, reporting, or otherwise enforcing the disputed rental claim until you have fully answered this affidavit and produced the evidence commanded herein.

This Affidavit constitutes my good-faith attempt to correct any misrepresentation or confusion, verify the alleged Rental Agreement and rental obligation, and address possible fraud and swindles under 18 U.S.C. § 1341 concerning the alleged Rental Agreement and the associated instrument styled **"MISSOURI 3-DAY NOTICE TO PAY OR QUIT,"** dated July 6, 2026.

The stated balance is exclusive of future charges, as of the date of this notice, and until balance is paid in full may accrue a daily late fee as defined in the Rental Agreement. If the full balance is not received within three calendar days upon receipt of this notice, this notice informs you of a termination of your Rental Agreement and the initiation of eviction proceedings and judgment proceedings. Eviction proceedings will attempt to recover possession of the premises. Judgment proceedings will attempt to recover money owed and owing, including but not limited to, outstanding rent, late fees, legal fees, court costs, any other outstanding charges, calculation of move-out expenses and all future and accelerated rent charges calculated for the duration of your rental agreement. Full payment within three days of the stated balance will reinstate the Rental Agreement.

Greetings Kristy,

Thank you for your response.

After careful review and legal research, I have concerns regarding the form of payment being requested. My understanding is that credit and debit card transactions are denominated in fiat currency and do not constitute payment in gold or silver specie.

Accordingly, before tendering payment, I am requesting clarification regarding the form of lawful money or specie that Broad Management Group accepts in satisfaction of the alleged balance.

Does Broad Management Group accept gold or silver coin as payment pursuant to Article I, Section 10, Clause 1 of the Constitution for the United States of America? If not, please identify and describe the specific form of money, currency, credit, negotiable instrument, or other medium that the company expects to receive and recognizes as payment.

This inquiry is being made in good faith so that I may understand the company's payment requirements and avoid knowingly participating in any transaction that I believe may be inconsistent with applicable law.

I intend to print this email correspondence and attach it as an exhibit to a formal written inquiry and affidavit, which will be sent by certified mail to the company's CEO, Benzy Fishbane. The correspondence is expected to be delivered before July 20, 2026. I will also forward a copy to you, and you may provide it to the company's attorney or other authorized representative.

I look forward to your response.

Respectfully,

Atoya Hues-El, in full life, sui juris.
