Affidavit of Evidence and Information
For Writ of Habeas Corpus Ad Subjiciendum
International Document

Exhibit: A

I, Plaintiff Jocelyn Nicole Craig-Bey ("Affiant") ex rel. Eric Khalil Bey, being of lawful age, and being first duly sworn upon affirmation, depose and say:

1. I am a Moorish American national of the Moroccan Empire at Maghrib al Aqṣá, North-West Amexem / North America, being an aboriginal and indigenous free Moor / Muur and rightful heir to the land by *jus sanguinis*. My nationality / citizenship and political status is recognized under copyright registration number AA 222141 with our Clock of Destiny Moorish American National Identification Card and Zodiac Constitution in the Library of Congress Copyright Office, Washington, District of Columbia.

2. I am a foreign national inhabitant at the Maryland state republic, and my treaty rights are secured under the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire, which is part of the Supreme Law of the Land under Article VI, clause 2 of the Constitution for the United States of North America.

3. I was appointed to the position of MUFTI agent under the Office of the Consul General of Morocco by Consul General Lamont Maurice El in accordance with the laws and customs of the Moroccan Empire and our Zodiac Constitution.

4. I have first-hand knowledge of our Moorish American national Eric Khalil Bey being presently kidnapped, denationalized and deprived of his liberty in involuntary servitude while being held hostage for profit as surety for the fictitious corporate person / nom de guerre ERIC LAMONT ROLLERSON JR, ID#053016, DOB: 09/29/1986, (race: Black) against his consent under color of state law within purview of the unconstitutional 14th Amendment under the physical custody of the defendant Corenne Labbé at the following location known as:

   PRINCE GEORGES COUNTY DETENTION CENTER (Inc.)
   13400 Dille Drive
   Upper Marlboro, Maryland republic [near. 20772]

5. Such first-hand knowledge was provided to me via verbal testimony from Michele Rollerson-Bey (Eric's consort) who physically showed up at the location and witnessed the kidnapping, and Robby Nathaniel Washington-Bey (another MUFTI agent) who was on the phone with Eric while the kidnapping took place.

6. I further assert that the unlawful imprisonment of Eric Khalil Bey includes the following circumstances:

   a. Witness Robby Nathaniel Washington-Bey stated on October 30, 2022, at approximately 08:00 p.m., he received a phone call from Eric Khalil Bey who reported he had been in an automobile accident and policy enforcers were now showing up to his location. Witness Robby could hear at least two (2) males in the background speaking to Eric, one identified as defendant Troy Harrison #9365, whom Eric said was armed. Eric reported his location to witness Robby as being near the corner of Martin Luther King Jr. highway and Glenarden Parkway at GLENARDEN, Maryland state republic.

b. Witness Robby heard another person in the background that appeared to be working with defendant Troy Harrison #9365 ask for Eric to produce a state-issued driver's license instrument and insurance information. Witness Robby heard Eric response, saying he was a foreign national and he was in possession of his national identification card which identifies who he is. Witness Robby also heard Eric invoke his treaty right to consular jurisdiction so Consul General Lamont Maurice El can be informed of the incident and exercise consular jurisdiction over the dispute, and Eric commanded for a competent supervisor (of the foreign de facto GLENARDEN POLICE DEPARTMENT (Inc.)) to be present on the scene so consular notification requirements (per the United States Department of State Consular Notification and Access manual 5th Edition, 2018) and treaty obligations can be upheld and enforced.

c. Witness Robby stated defendant Troy Harrison #9365 and several other armed unidentified males purporting to be policemen / employees / contractors of the private foreign de facto corporation GLENARDEN POLICE DEPARTMENT (Inc.) showed wanton disregard to Eric's statements and to his treaty rights and, while Eric stated he would go to his automobile to obtain the certified copy of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire, witness Robby heard a lot of movement and scuffling as if they were grabbing and subduing Eric. Witness Robby said he heard Eric say to them, "you don't have to do this" and "you really just slammed my head in the ground," then the phone connection was lost.

d. Witness Michele Rollerson-Bey stated on October 30, 2022, at approximately 08:35 p.m., she arrived at the scene near Martin Luther King Jr. highway and Glenarden Parkway at corporate GLENARDEN, Maryland state republic, and she witnessed Eric Khalil Bey's automobile on the medium strip with front end damage having appeared to have been involved in an accident. She also said she witnessed Eric Khalil Bey being surrounded by several armed unidentified males purporting to be policemen / employees / contractors of the private foreign de facto corporation GLENARDEN POLICE DEPARTMENT (Inc.)

before they began to attack and subdue him and, eventually, kidnapped him under color of law.

7. Further conclusive evidence of Eric Khalil Bey being kidnapped, deprived of his nationality and liberty, and held hostage for profit in unlawful imprisonment under color of law as surety for the fictitious corporate name / nom de guerre ERIC LAMONT ROLLERSON JR, DOB: 09/29/1986, (race: Black) are attached hereto as EXHIBIT: A1 from the online website known as https://casesearch.courts.state.md.us/casesearch/ used by the defendants, Sheila R. Tillerson Adams and Mahasin El Amin.

8. This Morocco Consular Court at the Maryland state republic has competent jurisdiction under Article III, section 2 of the Constitution for the United States of North America to issue a Writ of Habeas Corpus Ad Subjiciandum for the release of our Moorish American national Eric Khalil Bey [ex rel. ERIC LAMONT ROLLERSON JR, ID#053016, DOB: 09/29/1986, (race: Black)] from being held as prize under the unlawful custody of the defendant Corenne Labbé pursuant to the following provisions of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire:

> *Article 6. (in relevant part) ...if any Moor, not a subject of these dominions, shall make prize of any of the citizens of America, or their effects, and bring them into any of the ports of his Majesty, they shall be immediately released, as they will then be considered as under his Majesty's protection.*
>
> *Article 20. If any of the citizens of the United States, or any persons under their protection, shall have any disputes with each other, the Consul shall decide between the parties, and whenever the Consul shall require any aid or assistance from our government, to enforce his decisions, it shall be immediately granted to him.*
>
> *Article 24. If any differences shall arise by either Party infringing on any of the Articles of this Treaty, Peace and Harmony shall remain notwithstanding in the fullest force, until a friendly Application shall be made for an Arrangement, and*

until that Application shall be rejected, no appeal shall be made to Arms. And if a War shall break out between the Parties, Nine Months shall be granted to all the Subjects of both Parties, to dispose of their Effects and retire with their Property. And it is further declared that whatever indulgences in Trade or otherwise shall be granted to any of the Christian Powers, the Citizens of the United States shall be equally entitled to them.

9. In support of the above treaty rights of Eric Khalil Bey, the Supreme Court of the United States issued the following stare decisis law in the case ***Kolovrat v. Oregon, 366 U. S. 187, 194, 81 S.Ct. 922 (1961)***:

> *"A state cannot refuse to give foreign nationals their treaty rights because of fear that valid international agreements may possibly not work completely to the satisfaction of state authorities. Under the supremacy clause of the United States Constitution Art. VI, clause 2, state policies...must give way to overriding federal treaties and conflicting arrangements."*

Affidavit

I declare and affirm by virtue of Divine Law, under the Zodiac Constitution, and upon the United States Republic Constitution of 1791, and upon the honor of my Foremothers and Forefathers that the above information is true and correct.

Executed this 3rd day of November, 2022.
