Re: Misrepresented instrument—unconstitutional bill of attainder / foreign bill of exchange styled as “SUMMONS (LANDLORD-TENANT ACTIONS)” dated July 30, 2026; the derivative foreign de facto record styled as “case number [REDACTED]”; and the de facto administrative hearing scheduled for August 20, 2026.

In accordance with the authority asserted under Articles 20 and 24 of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire, and Article VI, clause 2 of the Constitution for the United States of America:

YOU (DEFENDANTS) ARE HEREBY COMMANDED to produce the following to the consul officer(s) of this Morocco Consular Court at the Missouri state as evidence of your lawful jurisdiction, judicial authorization, standing, venue, and authority:

1. **Delegation of Judicial Authority.** Produce a certified copy of the alleged Delegation of Authority order from Congress pursuant to Article III, sections 1 and 2 of the Constitution for the United States of America as evidence that the private foreign de facto corporation styled **CIRCUIT COURT OF ST. LOUIS COUNTY (Inc.)** and its representatives, including defendants Chastidy Dillon-Amelung, Marilyn Mack-Williams, and Joan M. Gilmer, have been lawfully vested with judicial authorization and consular jurisdiction to hear and decide diversity of nationality disputes involving aboriginal Moorish Americans of the land, and foreign colonizers (or descendants of foreign colonizers) alleged to be naturalized citizens of the United States.
2. **Nationality and Source of Citizenship.** Produce competent and certified documentary evidence sufficient to establish the nationality or citizenship asserted, with sensitive personal identifiers redacted. This inquiry is material to determine diversity of nationality, treaty capacity and protection, personal jurisdiction, subject-matter jurisdiction, and lawful venue in the matters alleged. Each defendant is hereby required to state, under oath or affirmation, their present nationality and citizenship status and to identify each nation or political jurisdiction to which allegiance is claimed. Further state whether any claimed citizenship of the United States was acquired by *jus soli* (the law of the place of one's birth) or by naturalization pursuant to an Act of Congress within the purview of the plausible 'Citizenship Clause' of the unconstitutional Fourteenth Amendment; or by *jus sanguinis* (right of blood), including the nationality of the parent or ancestor from whom such status is claimed.
3. **Standing of an Injured Party.** Produce a certified copy of an alleged written complaint signed under oath or affirmation by an identifiable natural person claiming to be the alleged plaintiff or injured party in the bill of attainder styled as "case number [REDACTED]" in the records of the foreign de facto **CIRCUIT COURT OF ST. LOUIS COUNTY (Inc.)**, and not by any third-party purporting to represent the alleged plaintiff therein, unless such representative appears ex rel. and establishes competent authority to speak. The foreign de facto [REDACTED] LLC is an artificial person, abstraction, and a creature of the mind only which can interface only with other artificial persons and is, therefore, foreclosed from creating and attempting parity with the complainant [REDACTED] Hues-El, who is a living flesh and blood Moorish-American woman. See *Allen v. Wright*, 468 U.S. 737, 751 (1984) ("The

requirement of standing... has a core component derived directly from the Constitution. A plaintiff must allege personal injury fairly traceable to the defendant's allegedly unlawful conduct and likely to be redressed by the requested relief."); and see *Trinsey v. Pagliaro*, 229 F.Supp. 647 (*"Statements of counsel in their briefs or arguments are not sufficient for purposes of granting a motion to dismiss or for summary judgment."*).

4. **Alleged Contractual or Commercial Nexus.** Produce any alleged valid and verifiable contract or commercial agreement relied upon to bound complainant [REDACTED] Hues-El to any statute, code, rule, regulation, custom, or color of authority of the foreign de facto STATE OF MISSOURI (Inc.) and its subsidiaries, including CIRCUIT COURT OF ST. LOUIS COUNTY (Inc.).
5. **Bonding and Financial Liability.** Produce the name, address, telephone number, policy or bond number, and applicable public-hazard, indemnity, malpractice, professional-liability, or other bonding coverage for every defendant and the foreign de facto STATE OF MISSOURI (Inc.) and CIRCUIT COURT OF ST. LOUIS COUNTY (Inc.) acting in connection with the bill of attainder styled as "case number [REDACTED]."
6. **Rebuttal of Aboriginal and Allodial Title.** Produce evidence of any alleged allodial or aboriginal title sufficient to rebut the complainant's declared inherited aboriginal title and reversionary interest in the ancestral estate commonly described as "[REDACTED], [REDACTED], Missouri," as stated in her Affidavit of Fact: Declaration of Aboriginal Heirship, Adverse Claim of Title, and Reversion of Ancestral Estate dated July 11, 2026, and Memorandum of Trust dated July 11, 2026. A feudal deed / deed of trust (mortgage), lease, tax record, assessor entry, or management agreement does not establish superior title and cannot interrupt the complainant's treaty right to inherit pursuant to Article 22 of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire. See *Kolovrat v. Oregon*, 366 U.S. 187, 194, 81 S. Ct. 922 (1961) (*"A state cannot refuse to give foreign nationals their treaty rights because of fear that valid international agreements may possibly not work completely to the satisfaction of state authorities."* *"Under the Supremacy Clause of the United States Constitution, Art. VI, cl. 2, state policies, as to the rights of aliens to inherit, must give way to overriding federal treaties and conflicting arrangements."*).

7. **Lawful Service of Process.** Produce competent proof that lawful service of every initiating instrument and attachment was perfected upon the complainant in accordance with due process of law and consular jurisdiction, including the completed return of service and proof that her aboriginal nationality and lawful capacity were properly identified.

ANSWER

This Writ of Quo Warranto shall be answered by producing all evidence commanded above upon your receipt of this Writ, but in no event later **than three (3) days** after the date of your receipt. The complete answer and commanded evidence shall be delivered to the mailing address of this Morocco Consular Court stated herein.

In addition, the commanded evidence shall be produced to the consular officer(s) of this Morocco Consular Court at the Missouri state on August 20, 2026, upon their arrival at the foreign de facto venue styled as CIRCUIT COURT OF ST. LOUIS COUNTY (Inc.), while providing consular protection and convoy for the Complainant. This requirement does not extend, suspend, or otherwise modify, the three (3) day deadline stated above.

The 'Law of Flags' and jurisdiction of our consul officer(s) and convoy shall be recognized and honored by you (defendants) and the agents and representatives of the foreign de facto CIRCUIT COURT OF ST. LOUIS COUNTY (Inc.) in accordance with Article 4 of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire, which aver:

Article 4. "A Signal or Pass shall be given to all Vessels belonging to both Parties, by which they are to be known when they meet at Sea, and if the Commander of a Ship of War of either Party shall have other Ships under his Convoy, the Declaration of the Commander shall alone be sufficient to exempt any of them from examination."

The de facto administrative proceedings with the unconstitutional bill of attainder styled as "case number [REDACTED]" are **NOT VALID** until your jurisdiction is proved to exist! Otherwise, "case number [REDACTED]" and any other attachments associated thereto must be dismissed with prejudice for lack of jurisdiction and fraud in the inducement. See *Melo v. United States*, 505 F.2d 1026 (*"Once jurisdiction is challenged, the court cannot proceed when it clearly appears that the court lacks jurisdiction, the court has no authority to reach merits, but, rather, should dismiss the action."*).

DEFAULT

Failure to answer and produce the commanded evidence constitutes DEFAULT and serves as your admission by silence and acquiescence to the absence of the authority, jurisdiction, venue, standing, and proof demanded.

Upon your default, the misrepresented instrument - bill of attainder / foreign bill of exchange styled as "case number [REDACTED]," along with the instrument styled as "SUMMONS (LANDLORD-TENANT ACTIONS)" dated July 30, 2026, the de facto administrative hearing scheduled for August 20, 2026, and all proceedings and derivative colorable instruments associated thereto are invalid, unconstitutional, void ab initio, and unenforceable for lack of jurisdiction and fraud in the inducement. See *Elliot v. Peirsol*, 26 U.S. 328, 340 (1828) (*"If a court acts without authority, its judgments and orders are regarded as nullities. They are not voidable, but simply void; and form no bar to a remedy sought in opposition to them, even prior to a reversal. They constitute no justification; and all persons concerned in executing such judgments, or sentences, are considered, in law, as trespassers."*); also, see *United States v. Throckmorton*, 98 U.S. 61 (*"Fraud vitiates the most solemn contracts, documents and even judgments."*).

ARRANGEMENT

Upon your default, the unconstitutional bill of attainder styled as "case number [REDACTED] - [REDACTED]" and the de facto administrative hearing scheduled for August 20, 2026, must be DISMISSED WITH PREJUDICE AND CLOSED; and you shall CEASE AND DESIST from attempting to interrupt or interfere with the delivery and possession of the inherited ancestral estate known as, but not limited to, [REDACTED].

This arrangement is made pursuant to Article 24 of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire, which aver:

Article 24. "If any differences shall arise by either party infringing on any of the Articles of this treaty, peace and harmony shall remain notwithstanding, in the fullest force, until a friendly application shall be made for an arrangement; and until that application shall be rejected, no appeal shall be made to arms. And if a war shall break out between the parties, nine months shall be granted to all the subjects of both parties, to dispose of their effects and retire with their property. And it is further declared, that whatever indulgence, in trade or otherwise, shall

be granted to any of the Christian powers, the citizens of the United States shall be equally entitled to them."

DONE AND ORDERED at Maghrib Al-Aqṣá, North-West Amexem.

WITNESS THE HAND AND OFFICIAL SEAL of the Honorable Lamont Maurice El,
Consul General of Morocco at Missouri state, Maghrib al Aqsa, this 22 Safar 1448 MC [August 5,

2. Nothing in this Affidavit of Evidence and Information constitutes my contractual submission, consent, waiver, or general appearance as a "party" to participate in the collusive action and misrepresented instrument - unconstitutional bill of attainder / foreign bill of exchange styled as "case number [REDACTED]" in the records of the private foreign de facto corporation styled as "CIRCUIT COURT OF ST. LOUIS COUNTY (Inc.)" by way of fraud in the inducement and want of jurisdiction.

- vi. Benzy Fishbane, foreigner (nationality unknown) acting as “Chief Executive Officer” of the foreign de facto BROAD MANAGEMENT GROUP LLC, and have a mailing address of 1 Paragon Drive, Suite 260, MONTVALE, New Jersey [near. 07645]

4. The dispute which led to this information includes the following circumstances:

- a. On July 6, 2026, Kristy Drew transmitted by email an instrument styled “MISSOURI 3-DAY NOTICE TO PAY OR QUIT,” asserting an alleged balance of \$1,002.19 and threatening termination or eviction concerning my inherited ancestral estate commonly described as [REDACTED], Missouri.
- b. On July 11, 2026, I executed the Affidavit of Dispute previously designated EXHIBIT A, challenging the alleged debt and commanding a point-by-point sworn rebuttal; production and inspection of the original Rental Agreement; a complete accounting; identification of the specie demanded; competent evidence of title, agency, and standing; and cessation of enforcement pending validation.
- c. The dispute record included the Affidavit of Fact: Declaration of Aboriginal Heirship, Adverse Claim of Title, and Reversion of Ancestral Estate, the Memorandum of Trust, and the Consular Certificate of Receipt. Those documents declare my inherited aboriginal title, reversionary interest, and treaty right of inheritance to my ancestral estate in reversion known as, but not limited to, [REDACTED], Missouri, under Article 22 of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire.

- d. On July 14, 2026, the dispute, declaration and adverse claim of title, trust memorandum, and consular receipt records were transmitted through the United States Postmaster by certified mail to defendants Patrick W. Keefe under article number 9589 0710 5270 1115 5316 60; Benzy Fishbane under article number 9589 0710 5270 1115 5316 46; and Denny Hoskins under article number 9589 0710 5270 1115 5316 77.

- g. On July 15, 2026, Kristy Drew, a third-party agent, responded by email that BROAD MANAGEMENT GROUP accepts ACH, credit card, debit card, and CashPay payment and supplied a CashPay card identifying PayLease Account ID 8361013389. The response did not provide the commanded sworn rebuttal, original Rental Agreement, complete accounting, title evidence, specie authority, or inspection appointment.
- h. The online Case.net record states that, on July 21, 2026, "[REDACTED] LLC" caused the misrepresented instrument – bill of attainder / foreign bill of exchange styled as "case number [REDACTED]," classified as "AC Landlord Actions (Bulk)" under color of law to be entered in the records of the private foreign de facto corporation styled as "CIRCUIT COURT OF ST. LOUIS COUNTY (Inc.)."
- i. On July 28, 2026, I executed the Affidavit of Fact: Notice of Default previously designated EXHIBIT B, entered default against the defendants identified therein, preserved the cease-and-desist command, incorporated the prior dispute record, and restated the Allodial Compensation Invoice totaling \$3,022,000.00 for damages.
- j. Certified-mail receipts dated July 28, 2026, identify transmission of the Notice of Default [EXHIBIT: B] to defendant Patrick W. Keefe under article number 9589 0710 5270 1115 5317 14, and to defendant Benzy Fishbane under article number 9589 0710 5270 1115 5317 21.

- k. United States Postal Service tracking records delivery of article number 9589 0710 5270 1115 5317 21 to an individual at the address for defendant Benzy Fishbane at 12:41 p.m. on August 3, 2026.
 - l. United States Postal Service tracking records delivery of article number 9589 0710 5270 1115 5317 14 to an individual at the address for defendant Patrick W. Keefe at 3:07 p.m. on August 3, 2026.
 - m. On July 29, 2026, I sent Kristy Drew a courtesy PDF electronic copy and follow-up concerning the Notice of Default [EXHIBIT: B], with Benzy Fishbane copied at bfishbane@broadmngmt.com. The email identified the two July 28, 2026, certified-mail article numbers.
 - n. In response to the misrepresented instrument - bill of attainder / foreign bill of exchange styled as "Sommons (Landlord - Tenant Actions)" pre-dated for July 30, 2026, appearing to be from defendant Marilyn Mack-Williams (because it bears "/S/MARILYN MACK-WILLIAMS,"), and addressed to the corporate name / nom de guerre [REDACTED] HUES-EL, I am executing the Affidavit of Fact: Writ of Quo Warranto [EXHIBIT A] with attached exhibits by special appearance under protest (ex rel. [REDACTED] HUES-EL), and the Writ of Error [EXHIBIT: B] which shall be entered into the records of "case number [REDACTED]" as conclusive evidence of lack of jurisdiction and fraud in the inducement.
5. I invoke my treaty secured right to consular jurisdiction and venue to settle this dispute with the defendants under consular authority pursuant to Articles 20, 22 and 24 of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire, and I do not concede any alleged styled service, capacity, authority, jurisdiction, or venue represented by the said bill of attainder instrument addressed to the corporate name / nom de guerre [REDACTED] HUES-EL, nor do I participate as a party in "case number [REDACTED]" which constitutes fraud in the inducement.
6. Article 20 of the said Treaty provides that if citizens of the United States, or persons under their protection, have disputes with each other, the consul shall decide between the parties and governmental aid requested by the consul to enforce the decision shall be immediately granted.
7. Article 22 addresses the consular protection and delivery of property to the present heir. As the present heiress apparent by *jus sanguinis*, I invoke this provision in connection with my Declaration of Aboriginal Heirship, inherited ancestral estate, aboriginal title, and reversionary interest.

8. Article 24 requires peace and harmony to remain in force while a friendly application for arrangement is made concerning any alleged infringement of the said Treaty.
9. Each defendant must state present nationality and citizenship, every political jurisdiction to which allegiance is claimed, and whether any claimed citizenship of the United States arose by *jus soli*, naturalization under an Act of Congress within the purview of the unconstitutional Fourteenth Amendment citizenship clause, or *jus sanguinis*, including the nationality of the parent or ancestor from whom such status is claimed.
10. The above described certified dispute and adverse claim of title record, certified July 16 and July 20 deliveries, incomplete July 15 response, July 28 Notice of Default and certified mailing receipts, the July 29 courtesy email, and the later foreign de facto "case number [REDACTED]" establishes probable cause for consular investigation via the extraordinary proceeding of *quo warranto*, and the issuance of the Writ of Quo Warranto from this Morocco Consular Court at the Missouri state to the defendants and the foreign de facto CIRCUIT COURT OF ST. LOUIS COUNTY (Inc.) in re the unconstitutional bill of attainder styled as "case number [REDACTED]" and de facto administrative hearing scheduled for August 20, 2026.
