Hello,

In accordance with applicable law, including 18 U.S.C. 2703, **Google has responded to the legal process.**

For more information about Google's user notification process and the different data types that Google may be required to disclose, view our transparency report at http://www.google.com/transparencyreport/userdatarequests/legalprocess/#i_received_an_email.

Google is not in a position to provide you with legal advice or discuss the substance of the legal process. For more information regarding this case, including a copy of any production, please contact the agency that issued the legal process.

Regards,
