Stare Decisis Law

See *Elliot v. Peirsol*, 26 U.S. 328, 340 (1828), (“*Courts are constituted by authority and they cannot act beyond the power delegated to them. If a court acts without authority, its judgments and orders are regarded as nullities. They are not voidable, but simply void; and form no bar to a remedy sought in opposition to them, even prior to a reversal. They constitute no justification; and all persons concerned in executing such judgments, or sentences, are considered, in law, as trespassers.*”).

I am in receipt of your instrument titled Order dated July 24, 2020, regarding your response to my Affidavit of Fact: Request for File Stamp Copies and True Test Copies.

For the record, I am Lamont Maurice El (also known as Lamont Maurice Butler-El), an aboriginal and indigenous Moorish American National of the Moroccan Empire at North America. I am not a nom-de-guerre, strawman or any other stateless person artificial corporate construct as written in all capital letters by the unclean hands of others as you have indicated in your instrument, i.e., LAMONT MAURICE BUTLER (Race: Black), nor do I consent to stand as surety for such at any point, at any moment, or at any time. I am a sovereign to this land and as such, you and your private foreign corporate for-profit entity styled as CIRCUIT COURT FOR MONTGOMERY COUNTY (Inc.) do not have lawful jurisdiction to hear, present, or pass judgment in any matter concerning my affairs.

In response to your erroneous assumption that my affidavit was a “Motion”, let the record reflect that it was NOT! My affidavit was an exercise of right to have free access to the records of the CIRCUIT COURT FOR MONTGOMERY COUNTY (Inc.) in accordance with my Due Process Rights secured under the 5th Amendment of the United States Republic Constitution, as well as the Maryland Constitution – Declaration of Rights under Article 19:

Art. 19. That every man, for any injury done to him in his person or property, ought to have remedy by the course of the Law of the Land, and ought to have justice and right, freely without sale, fully without any denial, and speedily without delay, according to the Law of the Land.

It has been clearly shown in the records of this case and related case number 122514C by prima facie evidence and conclusive proof that the CIRCUIT COURT FOR MONTGOMERY COUNTY (Inc.) lack's jurisdiction because it is not a constitutional court of competent jurisdiction being delegated judicial authorization by Congress under Article III of the Constitution for the United States Republic of North America to hear and decide 'Diversity of Nationality / Citizenship' cases; it does not have lawful consular jurisdiction to hear and decide Treaty matters involving or affecting indigenous Moorish Americans per Articles 20 and 21 of the Treaty of Peace and Friendship of 1836 between the United States of North America and the Moroccan Empire. See the Affidavit of Fact: Final Notice of Default Judgment entered in this case on June 4, 2019; see the Affidavit of Fact: Notice of Default Judgment entered in related case number 122514C on April 26, 2013; and see the Affidavit of Fact: Notice of Default Judgment entered in related case number 122514C on May 6, 2013, which all stands as prima facie evidence and conclusive proof of lack of jurisdiction. Also, see *Joyce v. United States*, 474 2d 215 (*"There is no discretion to ignore lack of jurisdiction."*). The STATE OF MARYLAND (Inc.) and its subsidiary, CIRCUIT COURT FOR MONTGOMERY COUNTY (Inc.), are de facto private foreign corporate for-profit entities operating on this land de facto by the use of Federal Reserve Notes and Checks (which are private corporate commercial paper and securities), and are entirely separate from the de jure constitutional Maryland state republican government which was sanctioned under Article 4,

section 4 of the United States Republic Constitution. See the doctrine in the case *Clearfield Trust Co. v. United States*, 318 U. S. 363 - 371 (1942):

“Governments descend to the level of a mere private corporation, and take on the characteristics of a mere private citizen ... where ‘*private corporate commercial paper*’ [Federal Reserve Notes (FRNs)] and ‘*Securities*’ [Checks] is concerned. ... For purposes of suit, such corporations and individuals are regarded as entities entirely separate from government.”

Pursuant to the stare decisis law in the *Elliot* case mentioned above, your misrepresented instrument - bill of Attainder / bill of exchange titled Order dated July 24, 2020, filed under color of state law against the fictitious corporate person / nom de guerre LAMONT MAURICE BUTLER (Race: Black) within purview of the plausible 14th Amendment, as well as the Judgment dated September 20, 2013, and the Sentence / Order dated November 14, 2013, filed by the foreign occidental European male Terrence J. McGann under color of state law and against LAMONT MAURICE BUTLER (Race: Black) within purview of the plausible 14th Amendment, and any other attachments associated thereto, are null and void ab initio for lack of jurisdiction and fraud. See United States of America Congressional Record, Proceedings and Debates of the 90th Congress, 1st Session, Vol. 113 - Part 12, June 12, 1967 to June 20, 1967, page 15641, which held the purported 14th Amendment to the United States Constitution as ineffective, invalid, null, void and unconstitutional.

Furthermore, I do not have, nor do I possess any gold or silver coins to pay the restricting demands / fees conditionally commanded under color of law (feudal law) by the employees and contractors of the CIRCUIT COURT FOR MONTGOMERY COUNTY (Inc.) which are unconstitutional, and which arbitrarily hinders my ‘Due Process Rights’. Clearly your instrument is

used to deny my due process right to have free access to the records in this case by you acting in collusion with others to *tamper* with my affidavit and misrepresented it as a 'Motion' by way of fraud! A 'Motion' is discretionary and an assumption that permission must be requested to exercise a Constitutionally Secured Right. An exercise of a Right is not a request, and your office knows this to be "Stare Decisis" and the Law of the Land. Tampering with evidence is a federal violation, and a clear corruption of the fiduciary duties of all persons of the CIRCUIT COURT FOR MONTGOMERY COUNTY (Inc.). Furthermore, there is no Law prescribed in the United States Republic Constitution requiring a "Motion" to exercise a Constitutional secured right. Your instrument is contrary to the *Miranda Rule* and constitutes a violation of the 9th Amendment of the United States Republic Constitution:

Amendment 9. The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people.

See Miranda v. Arizona 384 US 436, 125 ("Where rights secured by the Constitution are involved, there can be no rule-making or legislation, which would abrogate them.).

ORDER

WHEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED that you, Debra Lynn Dwyer, and Terrence J. McGann are in **ERROR**;

McGann, are **UNCONSTITUTIONAL, NOTWITHSTANDING, NULL and VOID**, and are **NOT**

ENFORCEABLE for lack of jurisdiction and fraud, and shall be forthwith stricken and withdrawn from the record of this case;

See *Sniadach v. Family Finance Corp.*, 395 U.S. 337 349 (1968) (*"The ability to place a lien upon a man's property, such as to temporarily deprive him of its beneficial use, without any judicial determination of probable cause dates back not only to medieval England but also to Roman times."*).

SO ORDERED, SUI JURIS.
